Convention Just a Burlesque
As Toronto Alderman Sees it

Big Republican Pow-wow Has Degenerated Into Mere Personal Fight, Says Ald. Rowland—If Taft is Nominated Roosevelt Will Surely Bolt—Bryan the Coming President.

Ald. Rowland, who is in Chicago on his way to New Orleans, gives his impressions of the Republican convention in a wire to The World. His despatch from the Windy City last night is as follows:

Chicago, June 20.—"To an outsider, the Republican convention in Chicago seemingly has degenerated into a great burlesque show, the chief factors on the stage being two bitter personal enemies, each striving to best the other for purely personal reasons and with out any regard to the effect upon either party or the country as a whole. The language used and the actions

of the different state delegates indicate that their chief desire is to make sure which is the stronger and then get in with the winning side. At the present time it looks as if the Roosevelt boom has burst, that the ex-president cannot come back, and that Taft will again be the candidate of the Republican regulars. And, if so, the Roosevelt will surely bolt, causing a division in the ranks, which will ensure the election of Bryan as president. He is certain of the Democratic nomination and the man on the street here feels he will win, division or no division in the Republican ranks." H. A. Rowland.

WELLAND

is fast becoming the greatest manufacturing city in Canada.

With seven railroads, the Welland Canal, cheap power and cheap gas, it has grown from 1700 people to 7000—from one factory to twenty-five, and from an annual pay roll of \$50,000 to a pay roll last year of \$1,200,000. And all this has taken place within the last five years.

If the future can be judged by the past, then Welland will soon be the Birmingham of Canada.

WELLAND SOUTH

is the only high-class restricted workmen's residential district adjoining the factory section of Welland, and within five minutes' walk of the largest industries and the Union Station.

Lots which to-day are selling at from \$5 per foot up, should make you 100 per cent. profit in a short time. For particulars write to

C. T. WILMOT'S ESTATE.

An estate of \$20,741.77 was left by Charles Thomas Wilmot, druggist, who had resided at 165 Cumberland street, whose death occurred on June 11. The will says that John, Marcel and Norman F. Wilmot, brothers; three sons of a cousin, John Haggis; also Cole, a niece, and various branches of the Presbyterian church share in the will. The amounts each receives varies.

Justice Riddell issued an important order to William Douglas, counsel for Rev. George M. Atlas, yesterday. His lordship directs the clerk of the peace and the clerk of writs to transmit to the minister of justice all papers, evidence, etc., in their custody in connection with any trial or proceeding against Mr. Atlas. This may mean a re-opening of the whole case. Mr. Atlas has continually declared his innocence and Mr. Douglas has stood by him all along.
