New Baseball League Organized in Carolina

CHARLOTTE, N.C., Dec. 14.—The North
Carolina Baseball League was organized
here, with Charlotte, Raleigh, Asheville,
Greensboro, Winston-Salem and Durham
as members. The circuit succeeds the

Carolina Association, with Spartanburg,
Greenville and Anderson replaced by
Raleigh, Durham and Asheville.
Lynchburg (Va.) and Greenville and
Anderson (S.C.) were denied admission to
the league, the directors deciding to have
a strictly North Carolina organization.
J. H. Wynn was elected president.
Ira B. Hogue, who pitched for the An-
derson Baseball Club of the Carolina
Association last season, signed today
with the Boston National League team.

Checker Tourney For Championship

Canadian Association Makes Arrangements for Competition the Holiday Week.

The executive committee of the Dominion Checker Association met Saturday afternoon at the Toronto rooms, King and Jarvis streets, and completed arrangements for the games for the championship of Canada during the holidays. It was decided to begin play Dec. 23, and it is expected the competition will run five or six days. All players to be eligible must have resided at least one year in the Dominion and must otherwise conform to the rules.
The prize money of \$300 will be divided as follows: First, \$150; second, \$75; third, \$50, and fourth, \$25.
A strong committee was named, that will ensure a well-conducted tournament. They are: Judge McGibbon, Brampton, M. C. Teetzel, Chatham; C. Pickering, Baltimore, Ont.; A. Vernon, Hamilton, and Messrs. Loudon, Shand, Dixon, Irwin, New and Asher of Toronto.
The secretary is Frank Woolport, 170 Hunter street W., Hamilton. Information may be secured from him or at the Toronto Checker clubrooms, King and Jarvis streets.

Baseball Players Want Protection from Rowdies

NEW YORK, Dec. 14.—In an effort for suppression of rowdism on major league baseball fields, David L. Fultz, president of the Baseball Players' Fraternity, has sent a letter to the National Commission, he announced tonight. The letter was suggested by conditions developed at the time of the strike of the Detroit ball players last summer, which took place after Cobb of the Tigers was suspended for attacking a spectator in American League Park in this city.
The letter suggests to the commission suitable signs to be posted in all ball parks warning the public not to address abusive language to the players. It also asks for better policing of the parks by officers under the instructions of the umpires. Fultz also favors vesting the umpires with more authority, and holding them responsible, as far as will be practicable, for the acts of all persons within major league parks.

Rutt and Folger Win Bicycle Grind

Six-Day Event Decided by Sprint Race—Teams Finish Seventy-five Miles Behind the Record.

NEW YORK, Dec. 14.—Folger and Rutt, the German-American team, won the six-day bicycle race at Madison Square Garden tonight. Walter Rutt took the honors for his team in the mile sprint, which decided the race. The Redell-Mitten team, represented in the sprint by Redell, was placed second. The Clark-Hill team, with Jackie Clark doing the riding, finished third.

The Root-Hehr team, the Drobach-Colins team and the Grenda-Pye team finished fourth, fifth and sixth, respectively. Root, Drobach and Grenda rode for their teams in the sprint. The time for the mile was 2:00.45.
The sprint was necessary to decide the tie between the six teams which, when the time for the end of riding approached, were bunched in the lead. The track was cleared at 9:30, and the final scene of the race started.

Immediately afterward a second sprint was started between the Kramer-Moran and Perchot-Egg teams, which were tied a lap behind the leaders when the long grind ended. Kramer won this sprint, which gave him team seventh place and the Egg-Perchot team relegated to eighth position. Time 2:45.13.
These teams all finished within the money; the prizes ranging from \$100 for first and \$100 for second down to \$25 each for winners of seventh and eighth places. Walker and Wells brought up the rear of the nine teams which completed the long race.

The six leaders had gone 2600 miles and 6 laps, with the trailing pair a lap behind, and Walker and Wells an additional lap in the rear.
The record for a six-day race is 2733 miles and 1 lap, made by Macfarland and Moran in 1908.
In bonus money the management paid out \$1,900.
The venture paid very well, however. It was said by the new management that the receipts were greater than in any other year. Last night the crowd was not as big as on some of the other nights during the week, but the arena was filled practically to capacity. The reason assigned to the falling off in the attendance for the final was the fact that the prices of the reserved seats in the boxes, arena and balcony had been raised, the prices charged ranging from \$3 down to \$1.50. Up in the gallery, where it cost \$1, the same was bigger than on any night of the race.

St. Anne's Men's Club.
The regular meeting of the Men's Association of St. Anne's Church will be held this evening. Louis P. Heyd, K.C., will speak on his travels in Britain.

Timeliest Hitter Is J. Frank Baker

Best Record Past Season in American Baseball League Driving in Runs.

John Franklin Baker, hero of the world's series of 1911, was the timeliest hitter in the American League last season, leading the Johnnies not only in the number of runs batted in, but having also a higher percentage of runs batted in to the game than any other player in the league. Baker, a third baseman, participated in 146 contests, drove in 122 tallies, which was 11 less than were batted home in 1911 by Ty Cobb, and 35 more than Tris Speaker batted home this past season. Baker might have equaled Cobb's 1911 record had the pitchers not issued so many bases on balls to him when conditions looked dark for a man who failed to pass Baker on purpose, and who probably now thinks that he had done so, was Tom Hughes of Washington. For Baker, by making a home run off him, took a leading part in shattering Washington's hopes of equalling Providence's record of twenty straight victories.
Most of the runs that Baker drove in were recorded thru the medium of safe hits. He hit in 113 counters on drives that boosted his batting average, eight on sacrifice flies that didn't affect it, and 12 on infield outs that hurt it.
Three other players—Duffy Lewis of Boston, Sam Crawford of Detroit and Jack McInnes of Philadelphia—also batted home 100 or more runs, these players' records being, respectively, 131, 138 and 103. Tris Speaker of Boston, adjudged by a jury of scribes the American League's most valuable player, batted in 98 tallies and found a place on the team of Johnnies' cleverest at closing at the right moment. This team would have as its battery Hall of Boston and Stanage of Detroit; as its infielders, Gandil of Washington, LaJoie of Cleveland, Baker of Philadelphia and McInnes of Philadelphia, and as its outfielders Lewis of Boston, Speaker of Boston and Crawford of Detroit.

Below will be found the records of the American League players of 1912 who had records of 500 or better in driving in runs:
