MORE BALL PLAYERS ARRIVE.

Meek and McCarthy Report in Toronto and Go on to Preston.

H. J. Meek, who is a candidate for the Toronto baseball team, as a catcher, or first baseman, arrived in town yesterday morning on the Chicago train. He came from Sioux City and was two days and a night on the way. He left last night for Preston, where he will join Herman Long.

Meek stands 6 feet 1 inch and weighs at the present time about 210 pounds. However, when the season opens he will take off about ten pounds. He will be the biggest man in the Eastern League. Meek doesn't look to be 6 feet, being built in proportion.

He has caught for Rusty Owens and Jaeger and thinks both pitchers should be able to catch a place on the team. Rusty Owens has great control and Jaeger an effective overhand delivery. Meek also caught for Killian before he went to Detroit. He says Manager Barrow could have got no person better to captain the team than Herman Long.

When he left last night he carried his two bats and a box of new balls, which Manager Barrow had supplied him with in case he lost any in the Speed River. His two bats are of second growth white ash, being 37 inches in length, which is about 3 inches longer than most bats used. They are also thicker than the majority and, judging by the weight of them, a few balls should hit the Foundry this year. He has had them for three years and would not part with them. He expects to bat over .300 this year.

Meek signed with Hamilton in 1898, when they were in the International League, but a week was enough for him and he jumped to Port Huron.

Besides being a ball player he is an enthusiastic bowler. He was entered in the Louisville tournament this year, but was unable to go. Last year in the tournament at Milwaukee he was 13th high average man for nine games. His bowling does not hurt his playing arm, as he is a right-handed thrower and a left-handed bowler.

McCarthy, the crack pitcher secured from Montreal in trade for Rapp, arrived in the city last night from Detroit. He has wintered well and is well pleased with the trade. He will likely go to Preston to-day.

According to Mac, he is lucky to be alive, as he went under an operation about two months ago, for a bealing under the jaw, which the doctors and himself had little hope of healing. He was on the operating table over two hours and carrys a scar about eight inches in length, where the doctors lanced.

Clarke, who played here two years ago in a letter to Manager Barrow, states that McGinley, who comes here from the Haverhill team, was last year the best pitcher in the Connecticut League, and should make a good showing in this circuit.

The meeting was called to order by Dd. W. A. Griffith of Brooklyn, who was chosen temporarily chairman.

GAME COCK'S CHEVY CHASE PINK COAT STEEPLECHASE

Right and True Beat Ben Hodder in the First Race—Four Favorites in Front.

Washington, March 29.—Five thousand persons braved the elements at Bennings to-day and were rewarded by the best day's racing thus far of the Washington Jockey Club's spring meeting. The feature was the fifth running of the Chevy Chase pink coat steeplechase. The starters were well matched. During the greater part of the distance Gamecock, always favorite, and Dunseverrick ran as if coupled in harness, taking the jumps together and leading the other two by a length or two.

When the horses had cleared the last hedge and settled down for their run in the flat it became evident that the race was between Gamecock and Dunseverrick.

As they straightened out in the stretch both riders began to ride with hands and heels. Both horses were ridden out, but Gamecock justified the confidence of his backers by getting past the wire three-quarters of a length in the lead.

It was a good day for the crowd, as four favorites, one second choice and a third choice won the six races. The track was heavy. Summaries:

First race, handicap, for 3-year-olds and up, 5½ furlongs—Right and True, 108 (McDaniel), 3½ to 1, 1; Ben Hodder, 118 (Redfern), 9 to 5, 2; Royal Window, 102 (Truebel), 8 to 1, 3. Time 1.09 4-5. D'Arkle, Suffice, Amberjack and Palora also ran.

Evans), 6 to 5, 1; Dunseverrick, 142 (Warrenton Hunt, Dion Kerr), 5 to 1, 2; Oleroso, 142 (Cameron), Hunt Club, Mr. Smith), 4 to 1, 3. Time 5.28. Red, White and Blue, Piedmont Hunt Club, also ran.

City Park Summary.

New Orleans, March 29.—The deluge of rain almost put to-day's card at City Park out of business. The handicap at 6 furlongs resulted in an easy victory for Kargut, who got in at 87 pounds. Kargut was well played at post time and his owner is said to have won quite a bit on the colt. Belindian made a show of a fair lot of platers in the seven furlong selling race and with 3 to 1 about him, won in a big romp.

Roller Bearing Correspondence Systems

What the roller bearing is to transmission machinery, a perfectly equipped, properly conducted 'Macey' vertical file is to the mechanical routine of office work. Each four-drawer cabinet has a capacity of 24,000 vertically filed, instantly accessible letters—everybody's correspondence being in a separate pocket, the position of which is indicated instantly by the numerical or alphabetical guide cards. The purchase of one of these is not an expense, but an investment, that starts to yield dividends the moment it is installed. Let us show you, without cost, where you could use one and save money.

CITY HALL SQUARE.

PRELIMINARIES DECIDED AMATEUR BOXING BOUTS

Clever Contests and Some Surprises on Opening Night—Draw for Friday.

The first night of the city amateur boxing tournament drew a very large crowd, who went away well satisfied. The bouts were pulled off in a prompt manner, and the decisions met with the approval of the crowd. There were 12 bouts decided and most of these were well contested, not a single extra round had to be boxed. There was a surprise in store for the regulars, when H. Ahley won a well-contested bout from F. Oswald. One of the best bouts of the evening was between P. Lovatt (West End) and R. Hutton (Parkdale Albions), a bout which went the limit, was fast from start to finish, both boxers showing good science.

Robert Lander outclassed S. Wyer in the opening bout. Lander was content to score easily and the referee awarded him the decision in the middle of the second round. Wyer walked to the dressing rooms, put on his clothes and 15 minutes later took a fit. The three physicians in attendance examined him and said he would be all rough soon. An hour later, on failing to regain consciousness, Dr. O'Brien ordered his removal to St. Michael's Hospital, where he died about midnight.

Robert Morris (Loudon), who met W. White (Avenue A.C.) in the 105-lb. class, was no match for his opponent. White won easily. The bout was stopped by the referee in the first round.

Frank Judge (Strathcona), who met R. Heaslip (West End), in the 105-lb. class, gave his opponent a hard run for the decision. Both boys showed science and were applauded several times by the crowd.

W. J. Miller (T.R.C.), who defeated S. Davies (unattached) in the lightweight class, showed much improvement since the last tournament and always had his man well in hand.

The eleventh bout brought together W. Walsh (Good Luck A.C.) and E. Sullivan (West End), both contestants, showed good form. Walsh was the aggressor thruout the bout. Sullivan made two or three rallies, but could not last out.

J. Murphy (Good Luck) and J. Collins (Loudon), met in the middleweight class. Collins was no match for Murphy, who smothered his man with science, the bout being stopped by the referee in the first round.

The last bout of the evening brought together J. Christie (West End) and C. Foster (Dublin). Christie had all the better of the first two rounds. Foster came back quite strong in the last round, but could not overcome Christie's lead.

Summary.

105 lb. class—Robert Lauder (Good Luck), defeated Ssenstone Wyer (Manchester), second round.

R. Heaslip (West End) won from Frank Judge (Strathconas), third round.

Horse Show Entries Close April 11.

The Canadian Horse Show prize list is now in the hands of most of the intending exhibitors, and there promises to be a very large entry from all parts of Ontario and Quebec. The increase in the prize money this year has been very considerable, and no less than $8000 will be given in cash and cups during the four days. The entries close with the secretary, Henry Wade, parliament buildings, Toronto, on Wednesday, April 11. Exhibitors in the hackney classes are requested to note that there has been a slight change made in class II. for the best mare, any age. The words "foaled in Canada" are omitted, so as to leave it open for both imported and Canadian bred mares. A number of the Canadian exhibitors are sending their horses to the Boston Horse Show, which takes place the week after Toronto. Among those who will be represented at Boston are Messrs. Joseph Kilgour, George Pepper, Crow and Murray, Hugh Wilson, and Peter Roach. Hugh Wilson will have a large string of entries for both Boston and Toronto. His large experience in the show ring, and the quality of horses he has brought together, will make him a formidable competitor, and the same might be said of Mr. Peter Roach. Both of these exhibitors received their early training in the business with Mr. George Pepper. John J. Dixon is another exhibitor who will figure prominently, and his famous horse Montrose will be remembered as the best all round horse at the show last year. In the hackneys Robert Beith of Bowmanville will be more actively represented than in recent years, on account of his recent valuable importations from England. The thorobred classes are likely to bring together some of our prominent breeding stables, and it is expected that both Mr. Hendrie and Mr. Seagram will send stallions. Exhibitors are reminded that the entries will close on the date fixed, April 11, and that the rule will be strictly enforced. Any letters which do not bear the post mark of April 11 will be too late. The auction sale of boxes will take place at the King Edward Hotel on Tuesday, April 17.

Prophet III. Out of Grand National

London, March 29.—With Foxhall, P. Keene's Prophet III., not running, there will be no American horse competing in the Grand National Steeplechase at Liverpool on morrow. American sportsmen, however, are interested in the fate of Phil May, who is running for "Mr. Cotton," the assumed name of J. T. Gwathmey of the New York Cotton Exchange. Mr. Gwathmey bought Phil May for $4500. The horse is now in splendid form and is expected to make a showing. Owens, the American jockey, who latterly has been riding in France, will ride for his countryman, Thomas Clyde, who, well known in America with Run Adathi, unfortunately lost the services of Jockey O'Brien, who met with an accident to-day. Birch will take O'Brien's place in the saddle. The favorite is John M.P., who has not been beaten this season.

Basketball To-Night at Central.

To-night at Central Y.M.C.A. Stratford and the Tongolas will play an exhibition game of basketball. Both teams are fast, so a good game is assured. Stratford will have two hockey players on their line-up, namely Rankin and Preston.

Before the big game the Clippers and Business Boys will play.

The line-up will be the following:

Tongolas—Sievert, McIvenny, Miller, Mayo and Walker.

Stratford—Richardson, Preston, Ward, Chandler and Rankin.

Malcolm will referee.

PURE FOOD SHOW OPENED IT AIMS TO EDUCATE

People Should Know What They Eat is Motto Under Which Grocers Are Working.

Under the auspices of the grocers' section of the Retail Merchants' Association of Canada, the Pure Food Show opened in Massey Hall yesterday afternoon. Two thousand people were present.

"The grocers of Toronto have reached a second milestone," said Chairman George Goode in the opening address, "in the campaign against the manufacture and sale of adulterated foods. Great progress has been made since last year, and there is every reason to hope for legislation at an early date restricting the adulteration of foods.

"Every retail grocer and others know that adulterated foods contain acids, dyes, turnip pulp for fruit, hay seeds for raspberries, maple sugar without the maple, and hundreds of other materials eaten daily by almost everybody. They know that there are machines for the making of lard out of beef refuse, and that cotton seed oil in a great many cases is called olive oil.

"Butter with 20 per cent. of water injected into it is sold in place of the pure butter used years ago, and England is even now passing legislation to prohibit shipments of this 'butter' from the colonies.

"Our exhibit is for the purpose of making plain what all these adulterated foods are composed of, and what we want is a label on every article which will tell the truth, and nothing but the truth."

President Higgins of the Retail Merchants' Association, Chairman Moyer of the Grocers' Section, Hon. Mr. Monteith, Mayor Coatsworth and ex-Ald. Score spoke in laudatory reference to the pure food movement.

The Cleveland Ladies' Orchestra played a number of selections while the throng viewed the exhibits. There will be seventy booths to-day.

Shortly before 5 o'clock the speakers, committee and many grocers, in carriages, paraded the business portion of the city. Two bands accompanied the procession.

Toronto Canoe Club Theatre Party.

The house committee has arranged for Friday night, April 6, as the date for the annual theatre party at Shea's, and club friends will do well to see members of the committee about seats desired for that night. Arrangements have been made also for several front rows in the gallery for the use of lady friends and supporters. Club members will be advised by card at once as to other special features now under consideration for this night.
