House of Providence Property at Oueen and Leuty Ave. - Interesting Debates at City Hall.

One of the finest parks in the city could be made out of the House of ville-Mulock, C.J., E.D., Anglin and Providence property at the corner of Queen-street and Leuty-avenue, so Commissioner Forman told the parks and exhibition committee yesterday. This property has 1335 feet frontage on Queen-street, and the same on the lake thought the city should negotiate for it.

Ald. Dunn and Noble had a little argument about it, the latter sticking to his ing to get in touch with the House of Providence as to terms, and next Tuesday the committee will take a look at

John Chambers, park commissioner, has a task that will interest nearly all the youngsters in Toronto. He is to report upon the advisability and cost a portion of them, to the east side of Riverdale Park. With that west end Riverdale Park. With that west end greed, which is so ofttimes upheld by Ald. Dunn, that worthy gentleman askald. Dunn, that worthy gentleman askald. Dunn, the commissioner report on the Continental Life Building was The Continental Life Building was ed that the commissioner report on the cost of moving some of the animals to High Park. Of course, Ald. Adams supported it, and thereby the proposition

committee didn't see the necessity of it. ed.

Fenced in and warping the benefits of the beauties of nature are the grounds at Osgoode Hall and the Metropolitan Church, with the kind permission to children to look thru the railsion to children to look thru the railings once in a while and watch the grass grow and the man cutting it. The city tried to come to some arrangement with the un-Christian body which controls Osgoode Hall and the otherwise Christian body which controls Christian body which controls the Metropolitan Church, with the result that there was a turndown both when once a man get on the city pay the company for damages and for an angel of the Blain Mining & Exploration Co.

In the tower clocks. This bill was for thirteen weeks' attendance upon clocks in the city hall, at the rate of 6c per three week each. Ald McBride kicked about the taking an entirely different stand to that he made the day before when he was handling the brief for Fireman Auchincloss. He said yesterday that there was a turndown both when once a man get on the civic pay phone Company for damages and for an angel of the company for damages and for an angel of the civic pay the company for damages and for an angel of the civic pay the company for damages and for an angel of the Blain Mining & Exploration Co. suit that there was a turndown, both from church and state, and all the people can do is pay for stepping the grass growing too long.

With commendable effort Perk Commendation of Progrowing too long.

With commendable effort, Park Com-

missioner Chambers sent in a report committe will recomend that competi-which knocked out Ald. Harrison's resolution to have band concerts only in clocks, as the principle of paying a property at 189 and 191 East King street the most prominent parks.

A suit has been entered by William Stewart Carried His Point.

"I'm agin it," shouted Ald. Stewart, when the application of the Toronto Commissioner Forman, that Asher & Polo Club for permission to play polo in Riverdale Park was presented. "Out twenty-one years of property on Front-Riverdale Park was presented. "Out of politeness to the applicants, I will street, west of the custom house, wasensame feeling, and a little better, for the kids who play on the plot the polo peolike want. I'm agin it. Mr. Chairman. ple want. I'm agin it. Mr. Chairman, I'm agin it." That settled it. The latter was deferred.

It was not at all surprising that the parks committee agreed unanimously to the offer of G. Larrett Smith to dedicate an acre of park land to the city on the understanding that Reservoir Park shall hereafter be called Sum-
