CONDEMN GAMBLING INCREASE

Congregational Union Proceedings—Will Complete Jubilee Fund.

Embryo, June 11.—(Special.)—Devotions at the Congregational Union today were led by Rev. D. Macaulay of Kingston, who to-day celebrated his 80th birthday.

The vote at Ottawa of \$100,000 for the San Francisco sufferers was heartily approved and sympathy extended. The growing practice of gambling was strongly condemned.

Rev. J. G. Shearer and R. U. MacPherson were thanked for services in connection with the Lord's Day Act, and an expression of gratification was sent to the premier.

The jubilee fund committee recommended a further effort be made to meet all the promises made to churches which entered the movement. It was decided to raise the 15 per cent needed, which amounts to \$800.

The church will be called "St. Andrews" in honor of the Brotherhood of St. Andrew.

SALE OF LIQUOR IN CAMP.

Officers at London Hope to Put an End to Annual Trouble.

London, June 11.—(Special.)—Much indignation is felt in local military circles over the temperance people's accusations regarding alleged sale of liquor at the camp now in progress here.

A court of enquiry is to be held in the camp grounds to-morrow morning, when the question of selling liquor in camp will be fully discussed. It is thought that a settlement may be made between the officers and temperance people.

The Worst of a Cold

It is how suddenly it comes. No time to hurry to the drug store, cough develops, the lungs are affected with pneumonia or tuberculosis and it's too late. Keep Catarrhazine on hand—it kills colds instantly. Something magical about the way it cures Catarrh and Bronchitis. Catarrhazine is the best remedy because it cures in nature's way; it soothes and restores permanently. Carry a Catarrhazine inhaler in your pocket, use it occasionally and you'll never catch cold—that's worth remembering.

YORK COUNTY AND SUBURBS CHURCH BUILT IN ONE DAY

Thanksgiving Service Held in St. Andrew's Last Evening—A Remarkable Achievement.

St. Barnabas' Day dawned beautifully, and the members of St. Barnabas' Church, Chester, took advantage of this fact with a royal good will in honoring the patron saint by building a mission church on the corner of Pape-avenue and Bee-street. Seldom, if ever, is there a place found in the morning with no sod broken and in the evening a church, with a seating capacity of 150 with divine service held therein; but this is the case with St. Barnabas' mission church.

At 5.45 a.m. the members of the church assembled on the ground with aprons on and a full complement of carpenters' tools. At 5.55 a five-minute dedicatory service was held, and sharp at 6 a.m. operations began to erect a house of worship for the adherents of the Church of England, living on "the plains."

Everybody worked with as much earnestness and enthusiasm as the their souls' salvation was at stake. Even ladies with holiday attire were driving nails. At noon the busy bees were entered to by the ladies of the congregation, and even hungry wayfarers were served with a substantial lunch. In the evening also tea was partaken of on the ground so that work could be proceeded with uninterrupted.

Those who gave a helping hand were: Thos. Shelvey, Geo. St. George, Wm. Smedley, Jas. Tindles, Stephen Watson, Rich. Hasted, Louis J. Alteen, Wm. Cooper, Robert Armstrong, Fred G. Parker, Harry K. Vipond, George H. Maynard, Harry Wright, A. J. Langton, Robert Luxton, and Rev. Frank Vipond.

The ladies were Mesdames Vipond, Hazelton, Wats, Shelvey, Spencer, Luxton, B. Armstrong, Misses E. and G. Carradus, H. and E. Pearson, and Millie Playter.

The two stained glass windows were donated by J. A. Hazelton and the rest of the stained glass windows came from St. Clement's Church, Toronto. The rector also received a cheque of \$50 from Col. Swamy, a member of St. Alban's Cathedral, Toronto.

At 8 o'clock last night the church was so far finished that thanksgiving services could be held and addresses were delivered by Rev. Canon Farrincombe, St. Matthew's Church; Rev. W. L. Baynes-Reed, Norway; Rev. Frank Vipond, pastor of the parish; W. F. Summerhayes, secretary rural dean conference; Col. Sweny, "on laymen's responsibilities," and Mr. Johnston, representing the Brotherhood of St. Andrews, and Rev. J. B. Fotheringham, assistant rector of Norway.

On behalf of the bishop, the bishop's hearty sympathy, Archdeacon Sweeney, Canon Dixon and Rev. J. Pitt-Lewis, D.D., regretted that duties pertaining to the reorganization of the union of the church extension committee, and wished the rector and his co-workers godspeed. S. H. Blake, K.C., chairman of the church extension committee, and his deep regret that indisposition prevented his presence on an occasion which has his deepest sympathy. He had asked the rector to assure the congregation that the church extension committee were going to help them.

The rector, Rev. Frank Vipond, largely attributed the success of building this church to the energy of the members of the chapter of the Brotherhood of St. Andrews, and believed that if laymen are made responsible for certain duties they would do it with a will.

The church will be called "St. Andrews" in honor of the Brotherhood of St. Andrew.

The church at the service was crowded and the collection amounted to \$37.

North Toronto.

Real estate is on the move yet in this town. County Constable W. Tomlinson sold a lot with 100 feet frontage on Colborne-avenue for \$500.

Preparatory to the laying of the new concrete sidewalks, the west side of Yonge-street, from Eglinton-avenue to Kensington-avenue is being torn up. The contractors will start work at once.

A lot of old plank sidewalks are being torn up at present, and will be replaced by concrete sidewalks, when they were laid, were paid for on the local improvement plan by properties benefited, and consequently they should be their property and not the town's, inasmuch as they have to pay the place of the old ones. But the corporation laborers had them away to the corporation yard.

An emergency meeting of York Lodge A. F. & M. was held on Saturday evening. Two candidates were initiated into the order and several members were raised to higher degrees.

Miss Rachel Carmichael of Revelstoke, B.C., is visiting her sister, Mrs. H. Darling, West Eglinton-avenue.

Simultaneously with the laying of the new concrete sidewalk on Yonge-street, west side, Wm. F. Doherty has removed the old wooden fence from his fine residential property, and will replace it with a more modern one.

J. M. Robertson, Clinton-avenue, Deer Park, returned home again from a trip to the Northwest.

J. J. Davis has purchased 100 feet on Balliol-street. Mr. Davis does not intend building on the property until next year.

The Cannon Granite Company has purchased the northeast-corner of Pleasant-avenue and Yonge-street, Deer Park. This firm intends putting a large factory, which will employ about forty-five hands.

Todmorden.

Dog poisoning has commenced once more. Several dogs have been found dead during the past week. So long as owners allow their canines to run at large and steal their living, and be a nuisance to their neighbors, they must put up with the revenge meted out.

There are far too many cows being herded along the roadsides here. Gowan-avenue was graded and well ditched last week and made into a good thoroughfare, but between recent heavy rains that have washed the earth back into the ditches and cattle having tramped it in the expense and work have been in vain. Cow herding should be stopped at once, as it is a nuisance to the residents here, and by having these pests cut down at once before they seek the land for another season.

H. Gooderham is to face a similar charge. The Doherty of Fairbank will have to collect thru the division court for any damages that his buggy sustained thru being run into by Wellington Highway.

Wm. Cornell was fined \$2 and costs for allowing his horses to browse on Woodbine-avenue.

Deer Park. During the past two Sundays reopening services were held at the Deer Park Presbyterian Church. The collections amounted to \$1000, and besides the moneys pledged the congregation will be able to pay every bill presented for payment. This being the case, the congregation naturally felt elated, and, as a consequence, gave a lawn social and entertainment last night, at which the Germans were welcome guests among the Scots and the Methodist "bishop" put on the same level with the Presbyterian clergy. The congregation came in all forces, and everybody spent a good time. The supper was served on the lawn of the church, and after everybody satisfied the inner man an adjournment was made to the church, where speeches were made and the audience entertained. Those who contributed musically were Mrs. Hodgson, Miss Alice Murray, Miss McChiehan and Miss F. Doherty. The speakers were Rev. J. C. Tibb of the Eglinton Presbyterian Church, who was glad that the parent of his congregation is so well equipped with a mission church. The church, such headway. W. P. Thompson, teacher of the Deer Park Public School, a member of the church for the past seventeen years, gave a review of the church from its beginning, twenty-six years ago, when the congregation was organized with eleven gentlemen of whom three are still alive, but only two members of the congregation, viz. Ben Sinclair and Mr. Stevens. In January, 1881, the opening services were held after acquiring the property and building a mission church. The services, at that time, were held by the students of Knox College. When Rev. D. C. Hossack took charge some three years ago the membership numbered 100, but now there are 260 members.

Rev. Mr. Pickett was introduced as "the bishop of the Deer Park Presbyterian Church," but he disclaimed the title and made a neat little Methodist speech.

Rev. Mr. Gaggie of the Parkdale Presbyterian Church spoke in complimentary terms of the work done by the congregation of Deer Park, and eulogized Mr. Hossack, his predecessor at Parkdale, for what he had done while pastor of his congregation, when he laid the foundation for an \$18,000 Sunday school room, seven years ago.

Rev. F. Foss, M.A., LL.D., gave a short review of the enlarging of the church, and expressed his satisfaction at knowing that all accounts can be paid at they are due. The Sunday school grew, since he took charge of the church, from 35 to over 300 pupils.

J. S. Robertson acted as chairman.

East Toronto.

East Toronto, June 11.—To-night's meeting of the town council was given over largely to a brief review of annexation. John Lowden headed a W.G. deputation from ward one, intent on securing the desired object, and presented two largely signed petitions for the submission of the measure to vote at an early date. Mayor Richardson declined to allow the matter to be discussed in council, and was resolved to appoint a committee to interview the mayor and board of control to see upon what terms union with the city can be arranged. The committee will consist of Mayor Richardson and Councillors Baker, Berry and Johnston. The relative assessed value of the several wards is as follows: Ward one—Real property, \$831,990; business, \$2050; income, \$45,030; total, \$838,000. On Thursday afternoon, at 2 o'clock, Mr. Davison will be heard.

In 1905 the salaries of the teachers totaled \$31,000, and in 1906 \$38,000. The highest salary paid to a public school teacher in North York last year was \$900.
