T. EATON CO. "CANADA'S GREATEST STORE."

STORE CLOSES TO-DAY AT 5 O'CLOCK.

Friday Bargain Day. those that drop when the

tree is shaken." Departments throughout the store have just experienced a general "shaking up." As a result, many intensely interesting buying chances have come to the surface for Friday's selling. Some of them are represented in this list. Others, where quantities are limited, will be placed on sale without newspaper mention. Such chances ought to crowd the store with eager buyers from early morning until we close at 5 o'clock :-

ANOTHER HURDLE FOR HARDY In drawing up rules for its guidance the Legislature has provided against just such an outrage as Premier Hardy proposes to perpetrate. Section 114 of the

> "If anything shall come in question touching the return or election of any member, he is to withdraw during the time the matter is in debate, and all members returned upon double returns are to withdraw until their returns are determined." This rule would clearly prohibit the Hardy's proposed bill. But a Government that can pass retroactive legisla-

GOLD PRODUCTION OF 1898. no means of tracing how they had voted. According to the estimate of the legislation of 1887 had no effect the United States Mint Bureau, then pending or which might be filed.

If the recent elections in Ontario had been held under the Dominion ballot system, it would be absurd for Mr.

Just published, the output of gold for the world during the calendar year of 1898 will be \$275,000,000. Last year the total world product was \$24J.

The remains of the late Archbishop Walsh this was removed during subsequent alterations. It read as follows:

returns so far, also promises a large increase.

The United States will drop this year from the position to which it rose in 1896 of the greatest gold producing or interests of any other section. Mr. Hardy's proposed legislation does not come within this category, because it affects the legal rights of ilitigants whose cases are already in the hands of the judges for adjudication. If the Canadian constitution permits a local degislature to interfere with vested rights by the passage of retroactive legislation the sooner the constitution is amended the better.

MANTEEN, A STATESMAN.

A few days ago we expressed the opinion that the English Government at the present time lags far behind the at the present time lags far behind the about \$200,000,000. The total Klondike Catharines. English public in Imperial sentiment, output for this year is placed at \$10,-

opinion. We are told that Professor J. W. Year. Robertson, the Canadian Dairy Com 1883..... \$ 95,400,000 missioner, who is now in Table 1886.... 106,000,000 missioner, who is now in London on 1888.. official business, has been publicly advo- 1890. cating a preferential tariff for England.
He has declared in The St. James
Guzette that a duty on wheat of 2-6 per quarter for a specific and limited period 1895. 199,304,100 of five years would not add one furthing 1896. 202,956,000 of five years would not add one farthing 1896..... to the cost of a four-pound loaf to the 1898.. 275,000,000

in Canada and India. Wheat is now about 45 shillings per quarter, but even if the price were to increase to 50 shillings, the rate suggested by Professor Robertson would only amount to 5 per how to be it. How to Do It.

"I wish I could acquire a reputation for being bright," said Willie Washington.

"There's nothing easier," answered Miss Cayenne. "All you need to do is to say you have heard it before whenever any one else says anything clever."

Justifiable Complaint. "You make me tired." And this to the major general of the

countries into the Empire, has often been advocated in our columns and we been advocated in our columns and we are exceedingly glad to find that Pro-even a reprimand.

Support Robertson has the courage to It was only Shafter's horse thinking

There are weeds in the health-garden of many a man and woman. The doctors call them disease germs. If you have sense enough to distinguish them from the flowers of health, and root them out, you will be robust, healthy and happy. The most dangerous of all the weeds in the flower garden of health is that deadly creeper consumption.

There are wand ministers of his church alone, but to the whole community, of which he was an illustrious citizen.

"Few men in his position have shown none in this country have more advanced the exalted position of archbishop than flis Grace.

"He was the wise and trusted counsellor

flower garden of health is that deadly creeper consumption.

There has never been but one medicine that would choke out this weed, root and all. That medicine is Dr. Pierce's Golden Medical Discovery. It acts directly on the lungs through the blood, driving out all impurities and disease germs, and building up new and healthy tissue. It restores the lost appetite, makes digestion and assimilation perfect, invigorates the liver, purifies the blood and fills it with the life-giving elements of the food and tones and builds up the nerves. It sustains the action of the heart and deepens the breathing, supplying the blood with life-giving oxygen. Medicine dealers sell it.

"A doctor, who is considered an expert on liver translation of the heart and selection of the dealers sell it.

"A doctor, who is considered an expert on liver translation of the heart and selection of the dealers sell it.

"A doctor, who is considered an expert on liver translation of the least of the second of the dealers in the deadly of his church and people, a ripe scholar, an eloquent preacher and a most distinguished prelate, who secured the confidence and profound regard and respect not only of his own people, but also of those connected with other churches.

"He was the wise and trusted counsellor of his church and people, a ripe scholar, an eloquent preacher and a most distinguished prelate, who secured the confidence and profound regard and respect not only of his own people, but also of those connected with other churches.

"He was the wise and trusted counsellor of his church and people, a ripe scholar, an eloquent preacher and a most distinguished prelate, who secured the confidence and profound regard and respect not only of his own people, but also of those connected with other churches.

because I have another engagement for that day. "Martinelli, Papal Delegate." Previous Prelates' Funerals. Previous Prelates' Funerals.

Right Rev. Michael Power was the first Catholic Bishop of Toronto. He died in. this city Oct. 1, 1847, of typhus, and on Oct. 5 his remains were conveyed to their last resting place beneath the new cathedraj of St. Michael's, which was still unfinished. As the edifice was not roofed, the funeral cortege first proceeded to St. Paul's Church, where the solemn services for the dead were performed, and the people paid their last tribute of respect to the departed. An additional evidence of the respect in which Bishop Power was held by other than members of his own flock was seen in that the
