*To the Honourable the Commissioner of Agriculture:*

SIR,—In accordance with the provisions of our Act of Incorporation, it becomes my duty to present to you herewith the Fourteenth Annual Report of the Entomological Society of Ontario.

The Annual Meeting of the Society was held in the City of London, on October 3rd, 1883, when the officers for the ensuing year were duly elected, and the necessary business of the Society transacted.

The account of the meeting, and the audited Financial Statement, are also submitted herewith.

In pursuance of one of the chief objects for which this Society was established some fifteen years ago, illustrated reports of various noxious and beneficial insects have been prepared by members of the Society for publication (with your approval), for the benefit of those interested in Agriculture and its kindred pursuits.

The publication of the *Canadian Entomologist* is still maintained, the Society having nearly completed the fifteenth volume.

I have the honour, Sir, to remain,

Your obedient servant,

EDMUND BAYNES REED,

*Secretary-Treasurer.*
