

For To-Day and Other Days

A Silk Hat is useful to-day in the parade. It will be useful for other days. We have Silk Hats by all the great makers, and some individual styles that no other dealer is allowed to handle—those by Henry Heath of London, England, and Dunlap of New York. A special line, too, of our own superior makes, manufactured from European blocks.

CANNOT MOVE SWITCH.

The board of control, as a result of a look over the ground yesterday afternoon, decided against allowing the street railway to move its connecting switch at the junction of East King and Queen-streets farther west. The company wishes the change, because of the laying down of the C.N.R. tracks, which widen the crossing at the Don bridge, but the controllers thought that the consequent narrowing of the roadway would mean damage to vehicles.

Didn't Get a Job.

William Burnside and John Harcourt were complainants in police court yesterday against C. E. Bode of the Dominion Employment Agency, alleging he had received \$1 from each of them on false pretences. A week's remand was made.

Y.P.M. CONFERENCE BENEFITS MISSIONS

Several Persons Influenced by Meetings Held in Whitby During the Past Week.

The Whitby conference of the Young People's Missionary Movement ended Thursday evening. The delegates present, numbering nearly 200, agree in pronouncing it an exceedingly successful one. Great credit is due to Rev. Dr. Hare and Mrs. Hare for their hearty hospitality, to Rev. Dr. Mackay for his admirable chairmanship, to the secretary, P. W. Anderson, to the teachers, speakers, missionaries, etc. In fact, everyone present felt a personal interest in the success of the conference.

Its main purpose is to encourage mission study and missionary leadership. This is done by actual study in classes under expert teachers and by the missionary institutes, the book room and exhibit, and above all by the valuable addresses of returned missionaries and by their numerous interviews with candidates and others describing their respective fields and methods of work, and pointing out some of their difficulties and how to meet them. Everything is grounded on God's word, and one valuable feature of the conference was a set of Bible lectures, given by Professor Gilmour of McMaster University on "The Life of Moses," and by E. D. Soper of New York on the "Acts of the Apostles," from which the international Sunday school lessons for 1909 are taken.

The conference was fortunate in having a large representation from the foreign fields. There were three ladies of the China inland mission—Miss Burton, Miss Hall and Miss Robson; seven Presbyterian missionaries, namely, Rev. W. H. Grant and Rev. J. H. Bruce from China, Rev. W. G. Russell, Rev. F. H. Russell, Dr. and Mrs. Waters, and Miss Grier from India; four Baptist missionaries, Rev. H. C. Fothergill, Dr. Woodburn and Dr. Gertrude Hulet, from India, and Rev. C. Wadell from Africa, and two Methodist missionaries, Rev. W. Fruchman of Japan, and Rev. A. P. Quirmbach of China, author of the well-known book, "From Opium Field to Prescher." Miss McCallum, a Congregationalist missionary from Asia Minor, was also present.

Home missions were represented by Rev. D. G. Prodic, a Russian, who speaks twelve languages, and is now ministering to foreigners in Brantford and elsewhere; Rev. S. B. Robid, Jewish-missionary in Toronto, and Rev. A. L. Thibault, a French evangelist in French evangelization work in Quebec, and the claims of the foreigners pouring into Canada were eloquently and effectively stated in addresses by Rev. W. T. Gunn, secretary of the Congregational Union in Canada, and Rev. W. R. McIntosh of Elora.

At the farewell meeting, Thursday night, addresses were given by those who had definitely decided for foreign service. Two young ladies, Miss Glendinning, Presbyterian of Toronto, and Miss Kerr, Methodist, of Hamilton, go out in this present year. Twenty-three others stood up and declared their decision to go out at some future date, and ten of these had been added to that decision by the work of the conference. Some forty young men and women rose to acknowledge that during the conference they had been led into the place of unreserved surrender to God's guidance.

Tennis and croquet tournaments were in progress every afternoon, the tennis champion being Miss Mowat of Montreal, who was awarded a beautiful silver spoon. The croquet champion was Miss Sutherland of Toronto, who received a beautiful enameled belt buckle. Another day the delegates, on hay racks and in cabs, visited the grove near Whitby.

Farmers Fall Out.

BELLEVILLE, July 10.—A young man named Earle Fox is under arrest here, charged with shooting with intent to kill, and with wounding a man named Wm. Day. The parties are farmers, residing in Sydney township, and the assault was the outcome of a quarrel.

Carpenter Falls From Building.
WELLAND, July 10.—A carpenter named Eckley was seriously injured by falling from a schoolhouse yesterday. His life is precarious.
