FIVE LIQUOR SEIZURES MADE BY GOVERNMENT

Claim is Made That Stuff is Intended for Illegitimate Sale in New Ontario.

A new phase of the provincial government's license enforcement crusade in New Ontario has been entered upon, through five seizures of liquor at points along the T. & N. O. Railway.

The government claims that the liquor was addressed to parties who do not exist and was intended to reach ultimately the proprietors of Sunday dives, which still exist in the district.

The shippers of the spirits have all made a demand on the department for the return of the goods, claiming that the seizure was illegal. The goods were taken possession of by the government as they left the car and were being received by the express company's agents. The license officials gave them a receipt in each case, and paid the charges, guarded the property in the express office, and waited for John Smith or Bill Jones to claim the stuff.

But for some reason or other these did not appear. "Thus," say the officials, "our suspicions were correct. It wasn't meant for Bill Jones, but for someone who intended to call for it under this name and dispense it for good money afterwards in places along the Montreal River, or English and other districts.

NORTH YORK LIBERALS NOMINATE AYLESWORTH

Minister of Justice is Unanimously Chosen—York County and Suburban News.

NEWMARKET, Sept. 23.—(Special.)—"I am not as capable to transact your business as I was three years ago, but if you will take me in my crippled and infirm condition as your candidate to contest the historic old riding of North York I am at your service," said Hon. A. B. Aylesworth, minister of justice, to the handful of North York Liberals gathered in the town hall here this afternoon.

If the gathering was not large, nor enthusiastic, it was unanimous, and as the voice of one man the meeting voted its desire to re-nominate the minister of justice. The meeting throught was funeral in its character, and whether this fact was due to the significant expression of opinion in June last, or the regrettable affliction under which Hon. Mr. Aylesworth is suffering, there was not the slightest approach to enthusiasm throughout the afternoon.

When Henry S. Cane, president of the North York Liberal Association, took the chair, there were about two score veteran Liberals in the hall, but when the ballots were counted the number had increased to considerably more than twice that number. T. C. Robinette, K.C., occupied more than half an hour in laudation of the government and the cabinet, the latter of which, he declared, had never been charged with wrongdoing in any shape or form.

No sooner had Mr. Aylesworth entered parliament than an era of vilification set in, led by the vitriol-tongued Foster, with that evil-disposed mind of his," said Mr. Robinette in paying his compliments to the ex-minister of finance.

Following the address of Mr. Robinette, the chairman announced that the result of the vote as shown by the ballot indicated the unanimous nomination of Hon. Mr. Aylesworth. No other name was suggested, and the result was arrived at in open news meeting, instead of by delegates. The address of Hon. Mr. Aylesworth was taken up with a reference to the unfortunate ailment—the loss of hearing—which necessitated the use of the telephone in his political campaign. "I may speak," said he, "but it will be a political speech, but rather as a friend to friend."

COMPLIMENTS TO CANADA ON STRICT DIVORCE LAW

Archbishop Sweatman's Reference in His Address at the Anglican General Synod.

OTTAWA, Sept. 23.—(Special.)—The first business of the General Anglican Synod at the opening sitting this afternoon was the election of prolocutor, the choice falling on Dean Farthing of Kingston. The choice was unanimous. The new prolocutor after expressing his thanks took the chair. Other officers were named as follows: Deputy to the prolocutor, Rev. Rural Dean Coombes, Winnipeg; clerical secretary, Rev. Archdeacon Clark Hamilton; lay secretary, Robt. Campbell, Quebec; treasurer, Judge McDonald, Brockville; auditors, E. J. B. Price, Kingston, and Lansing Lewis, Montreal; registrar, F. H. Gibbons, Ottawa.

A message was received from the upper house announcing that Archbishop Sweeney of Toronto had been chosen secretary of the upper house. The committee on the opening session was the charge of Archbishop Sweatman, primate of all Canada. After referring to the death of Bishop Carmichael of Montreal, the primate dealt with the work before the synod.

In his references to recent legislation the primate referred to the many privileges the church in Canada enjoys. He alluded to some of the recent legislation of the federal parliament, including the Lord's Day Act. He rejoiced that Canadians enjoy the most stringent divorce laws that exist in any English-speaking country. It was decided to send six members of the lower house and three of the upper house to attend the funeral of Bishop Carmichael in Montreal tomorrow. They will include the Archbishop of Toronto.

The committee on church union concluded its report with the following statement: "The committee believe that organic unity, such as contemplated in the report, is a higher and truer conception and realization of the Christian ideal and therefore that no opportunity should be lost in seeking the most satisfactory and consistent with legitimate adherence to principle should be spared."

The primate stated that the synod would deal with the question of the new hymnal. It would not be called upon to endorse all the teaching that might be included in every or any hymnal. The church would not assume any responsibility of that kind. A resolution to adopt the book would raise it to the equality of the Book of Common Prayer. This would not be there was no precedent for it. The synod would, however, give permission to use it.

TRAINMEN'S PICNIC SUCCESSFUL AFFAIR

From Several Centres They Unite at Berlin and Have a Glorious Time.

BERLIN, Sept. 23.—(Special.)—Toronto, York, London and St. Thomas people came to-day, between 700 and 800 strong, to celebrate in Berlin's beautiful park the twenty-fifth anniversary of the organization of the Brotherhood of Railway Trainmen.

Elaborate preparations had been made. Berlin's leading citizens, particularly manufacturers, worked hand in hand with the representatives of the brotherhood, the result being an unqualified success. The weather was ideal, and the organization of the celebration was so thoroughly undertaken that the consequent success would representatives of different lodges to practically decide to make a union picnic like that of to-day an annual event. So delighted were they with the manner in which Berlin has received them that a majority favored coming to Berlin again next year, another argument in Berlin's favor being its central location.

Specials brought visitors in during the morning, and at 1.30 a monster procession was formed at the market square, proceeding to Victoria Park, headed by the 29th Regiment Band. There an interesting program of sports was carried out. A distinguished visitor present at the celebration was James Murdoch of Cleveland, vice-grand master of the International Brotherhood. He delivered an eloquent address at the park. The general celebration committee was composed of Perry Hill, Sarnia; Harry Meredith, Toronto; J. Niles, Toronto, and Frank Brinkman, St. Thomas. Messrs. C. M. Debus and ex-Mayor Kranz of Berlin were instrumental in interesting manufacturers and others in the celebration and succeeding in getting them to donate the handsome prizes awarded in the sports at the park.

Hon. R. B. Bennett declared dogs un-British and ordered their extermination. "That's the way to do it," he said, "the only way to get rid of the dog problem is to get rid of the dogs." Mr. Bennett's declaration was met with a storm of protest from the public. Many people felt that the declaration was a disgrace to the British Empire and a violation of the laws of humanity. The declaration was also seen as a sign of the government's increasing authoritarianism and its willingness to take extreme measures to achieve its goals.
