

Your Thanksgiving Suit or Overcoat

Will be worth while and classy if it has our Sovereign Brand label inside the pocket. That indescribable something called style simply bulges out of every garment we have on our tables this Fall.

SUITS

As before mentioned we have attempted a stunt in clothes making that has never been equalled in Toronto, that of putting on our racks hand-tailored suits at \$30, \$35 and \$40. We know for a positive fact that there are numbers of men in Toronto who are TAILOR-TIRED and will be delighted to be able to slip into such beautiful garments as we are showing, and not have any tedious delays and worrying misfits to contend with. CUSTOM MADE INDIVIDUAL SUITS ready

for you to take away is the modern way of classing READY-TO-WEAR CLOTHES. Another special feature that we ask you to make a note of is our patterns and cloths. Fifty per cent. of them are exclusive and cannot be found outside our store. Price range from \$15 to \$40.

OVERCOATS

While the heavy auto style of overcoat is a rapid seller and by all odds the most sensible coat on the market, still there are numbers of men who prefer the long roll lapel. We have a magnificent showing of all the leading styles and some of the most handsome patterns it has ever been our pleasure to handle. Priced from \$10 right up to \$35, and full value for every dollar. PLEASE BEAR IN MIND that every garment we sell is backed by the most liberal guarantee anyone could wish. In fact, you may consider any purchase here as a deposit to be handed back to you at any time if you are not fully satisfied.

MOULDERS IN A FIGHT NON-UNIONIST INJURED

Lively Fracas on Street Corner at Busy Hour—Canon Wade Denies Some Allegations.

HAMILTON, Oct. 18.—(Special.)—There was a pitched battle this evening about 6 o'clock at the corner of King William and John-streets, between union and non-union moulders. One of the non-union men was carried off with a big gash in his head, caused by a brick, and several others were injured. Warrants have been sworn out for a number of those implicated, but no arrests have been made yet.

The trouble started early in the year when the union men refused to submit to a cut in their wages. After a lot of negotiations the men were locked out and all the store founders started to open shops, importing some non-union men. They have been able to keep their plants going, and it looks as if the union had been beaten in the fight. Some of them have joined forces and have started a foundry of their own.

James Gorman, 24 Sheaffe-street, was arrested this afternoon, on the charge of committing an aggravated assault on his wife. In a brief address at the annual meeting of the Aged Women's Home this afternoon, Rev. Canon Wade made reference to complaints that had been made by friends of the inmates that the home was unsanitary and the food too ground for such stories. The following also delivered brief addresses: W. J. Waugh, Sir Thomas Taylor, W. A. Robinson and A. B. Orr. The following officers were elected: Mrs. Thos. Renwick, president; vice-presidents, Mesdames Wade, Gunn, Hendrie, Fairgrieve, Strachan and Sutherland; treasurer, Mrs. F. B. Bennett; recording secretary, Mrs. W. A. Spratt; financial secretary, Mrs. W. J. Waugh. The receipts for the year amounted to \$312, and the expenditure to \$48 less.

The Sunday school workers of the Deane of Hamilton met this evening in Christ Church Cathedral. Bishop Deane delivered an address of welcome, and R. H. Hiltz, Fergus, Archdeacon Forrester and Dr. S. A. Morgan, W. H. and Mrs. Ball, 146 George-street, announced the engagement of their only daughter, Edith Louise, to Hugh Day Scully, B.A., Toronto, secretary of the Toronto branch of the Canadian Manufacturers' Association. The marriage will take place Nov. 3.

In Police Court. George Smith was fined \$10 this morning for assaulting Sofia Mackovich, because she spoke to another man in their camp near Waterdown. Smith said that he would follow her to the end of the earth. When asked why he did not marry her, the woman said she had a husband in the old world. Crown Attorney Washington complained that the foreigners were too handy with their guns. Arthur and Charles Close, Brantford, were each fined \$10 for making nuisances of themselves on the streets Saturday.

Owing to having reached the age limit, Sergeants Knox, Finch, Robinson and Moore will be retired from the police force at the end of the year, and there are all kinds of wild-pulling going on for the promotions. It is charged that favoritism is being shown in the selection of officers for plain clothes duty, and that some of those doing this sort of work make arrests on the slightest provocation, in order to fatten their average of arrests. One unfortunate was arrested no less than four times during a few weeks.

A company won the McLaren shelter trench competition, held every year by the 13th Regiment. It has 387 points to its credit, the other trench winners as follows: C Company, 344; B Company, 336; E Company, 278; D Company, 227; A Company, 213.

Caveat Asked for. W. G. Ellis has applied for caveat against the administration by Dr. Brandon of the estate of his mother, Mrs. Brandon, Ancestor. Mrs. Brandon was married three times, and had six children, nine of whom were by her second husband, father of W. G. Ellis. The caveat is asked for on the ground that Dr. Brandon is not a fit and proper person to administer the estate, and that previous to her marriage to Dr. Brandon, his mother made a will disposing of her property amongst her children. The estate is valued at \$21,000, of which \$18,000 is said to have been insurance on the life of Mr. Ellis' father.

It is the intention of City Engineer Macmillan to recommend the board of control to abolish the office of secretary of the fire and water committee, now held by A. F. James, and to add it to the duties of W. C. Brennan, secretary of the board of works. Mr. James will be retained and will be utilized probably as a member of the accounting staff. A purchasing agent may be appointed. A secretary will be needed for the board of control. There will be some difficulty to find quarters for the board of control, as all the space in the city hall is in use now.

There are but 418 assessment appeals this year, as compared to 848 last year. The parks board will meet Wednesday evening to consider the proposal to remove the fence around the Gore Park.

Tax Rate Stays up. There is no prospect of the tax rate being reduced next year. The board of education has spent \$260,000 during the last two years on new schools, and is asking for another \$60,000 for the Victoria-avenue School. Mayor McLaren said the council would not ob-

Just so long as the school rate of six mills was not raised. Joseph Shugar, who was found guilty of a second offence of selling liquor without a license, will be fined \$100, but will escape going to jail because it was his wife who sold the liquor.

The parents of Eddie Davidson, 56 Merrick-street, are trying to locate him. He ran away with Barnum & Bailey's circus. Arthur Parrett, 21 Kinrade-avenue, an Englishman, disappeared Saturday, and the police have been asked to locate him.

James Linford was severely hurt in a collision this morning with a street car. The ball bond of \$1000 exacted from Frank Penton, arrested in Washington, on the charge of running off with the proceeds of a \$250 bet, expired to-day, and as the authorities have taken no action to bring him back, he has been released.

The local police have received no word yet from the London authorities as to Edward W. Bedford, who confessed to murdering Ethel Kinrade, and they think he will be released. He was remanded until to-day.

NEW YORK'S 'PLAGUE' VICTIMS

Deputation Asks Large Civic Grant to Fight Tuberculosis.

NEW YORK, Oct. 18.—A group of distinguished physicians, hygienists and philanthropists constituting the anti-tuberculosis committee appeared before Mayor McClellan to-day and urged that \$487,000 be added by the board of estimate to reduce an economic loss estimated at \$1,500,000 yearly to this city alone caused by the ravages of tuberculosis.

Robert W. DeForest, president of the charity organization society, declared that of 4,000 tuberculosis sufferers in New York, but 15,000 were receiving proper medical attendance, while there are, he said, 24,000 new cases and 10,000 deaths each year.

Ferry boat, clinics and class rooms for the tuberculosis children excluded from the public schools were urged by Dr. Samuel Lambert.
