

present pursued should be adopted for the purpose of raising the annual interest on the Church loan.

In accordance with this request of the Congregation the Kirk Session and Temporal Committee held a joint-meeting, at which it was resolved :—

“ That the Schedule System be continued as heretofore, and that the attention of the Congregation be drawn in the Annual Report to the fact that contributions to the interest on the Church loan, for the past year, fell considerably below the requirements of that fund, and to the equity of the large number who are not accustomed to contribute to this fund, bearing their fair share of the necessary expenditure of the Congregation, in the matter of the interest on the general liability.”
