

MELANCTHON MISSION.

In a report furnished to the *Advocate* Sept. 3, the missionary, Rev. J. McKay, says there are on this Mission 87 members, five classes, and a good staff of officials. We have seven appointments, embracing parts of three townships. The congregations are good, and we hope profit by the word preached. The Lord is reviving his work. The people are kind. Our table is well supplied, but money is scarce.

MOUNT FOREST MISSION.

On this Mission, says Rev. W. H. Shaw, we have seven appointments, a steady membership, with good congregations. We have four local preachers, two exhorters, who are efficient brethren and always at their post. We are now completing three new Churches, which we expect shortly to be finished, one in the Village of Mount Forest, the other two in the country. We have the promise of a number of subscribers for the *Advocate*. Our Quarterly Meetings have been visited with the presence of our Lord and Master, and the society much encouraged under the faithful ministrations of our respected Bro. Woodward. The Quarterly occasions are anxiously looked forward to. The best of all is, "God is with us." Brethren, pray for us.

KINCARDINE MISSION.

In my report (Rev. J. T. Davis,) from this Mission I am sorry that I cannot report more progress, and a greater degree of prosperity. Some additions have been made to society, but the taking of letters, etc., leave the numbers in society at about the same.—There are difficulties to be met here, but I think they are not insurmountable. We feel our weakness, but are laboring on in the name of the Lord. Brethren pray that the power of the Lord might be made manifest in this part of his moral inheritance.

DURHAM MISSION.

This Mission, says the Rev. G. Wilson, is in the County of Grey, and embraces a part of the Townships of Normanby and Bentinck. There are six Sabbath appointments, embracing a membership of 62. One local preacher, four classes, four leaders, and seven stewards. Preparations are being made for the erection of a brick church on the Garafraxa Road. The prospects are good. To God be all the praise.
