

All Alumnae who wish to join the Association will please forward to the Secretary the membership Fee on or before the 1st of Jan., 1877.

In May, 1872, an Alumnae Mathematical Scholarship was established, of the minimum value of Twenty-five Dollars, to be competed for annually by students of the Ladies' Academy. A Natural Science Prize, and a Prize for the best Essay on a given subject, are also offered by the Association. The examination for the Scholarship and Prizes will be conducted by Committees specially appointed for the purpose.
