

## YOU OWE YOUR FACE A GOOD, CLEAR SKIN

And Stuart's Calcium Wafers in a Very Short Time Will Clear Up Your Complexion Naturally.

Just in a few days one may clear the skin of all manner of blemishes such as pimples, blotches, liver spots, etc., if one will use Stuart's Calcium Wafers. Don't use pasty lotions and creams to fill up the pores when they are working constantly with the blood to throw off the impurities of your system.

"Before I did my face of pimples I was not thought to be pretty. But all the change I made was to clean my blood and skin."

Many a face is made with beautiful contour and artificially lined, but when the skin is discolored one cannot see the beauty of the face lines. One notices only the skin blemishes. It's because pimples and eruptions come from the inside—from impure blood—and you can't cure them by rubbing stuff on the outside of the face. Purify the blood and the blemishes will disappear.

Stuart's Calcium Wafers will often clear the complexion in a few days' time. That's the wonderful part of it—they act right off—in a hurry. That's because they're made of just the ingredients needed to drive all poisons and impurities from the blood. That's why doctors prescribe them so constantly.

You will quickly enjoy a beautiful complexion if you use these wonderful little wafers. Your face will become as clear and pure as a rose. Nobody likes to have pimply-faced people around. With Stuart's Calcium Wafers you don't have to wait for months before getting results. Even boils have been cured in a few days' time with these remarkably effective blood cleansers. Your whole system will feel better in a marvelous short time, and my, what a difference in your looks!

You can get Stuart's Calcium Wafers at any drugist at 50 cents a box. A small sample package mailed free by addressing F. A. Stuart Co., 175 Stuart Bldg., Marshall, Mich.

## ROBIN HOOD WANTS TO COME

Well Known Opera Co. Seeks Dates in St. John

SKETCH OF WM. FARNUM

Robert Mantell in New York—Gavin Harris in Stock—The Local Players—Various Stage "Bits"

Among the attractions seeking time in St. John for early spring is "The De-Koven Opera Co." an organization with an enviable stage name in the states. One of their best productions is "Robin Hood," while they have several standard operas in their repertoire. Stage-folk are hoping that the company may be booked.

Madame Ernestine Schumann-Heink, the contralto, who sang in St. John some years ago, arrived this week at her home in Crossmont, near San Diego, to remain, she says, at least a year. Her tour for this season has been cancelled owing to a threatened attack of pneumonia. She is rapidly regaining normal health.

Bruce MacLure, a former St. John player with Harkins, is in the cast of "The Shadow," a play in three acts by Dario Nicodemi and Michael Morton, with Ethel Barrymore in the leading role, which was produced recently by Charles Frohman. The scenes are laid in the wealthy residential and art districts of Paris.

Of an actor who played here some fifteen years ago with W. S. Harkins, the New York Mirror says:

"William Farnum, whose picture as 'Virginia' appears on this week's cover of 'The Mirror,' possesses the unusual distinction of having achieved the highest success in two widely separated forms of dramatic art. From the time of his stage debut, at the age of fourteen, Mr. Farnum determined to devote his talents to the classic drama, and although he has appeared in a varied number of roles ranging from the society play on up, he has never lost his love for the classic."

A brief synopsis of the evidence for and against follows:

Witnesses for the prosecution—Analysis, Morality, Faultfinder and Captious Critic.

Witnesses for the defense—Reason, Judgment, Purpose and Gratitude.

Stock Doing Well.

The visit of the Young-Adams Co. to St. John is proving both popular and profitable. The class of production given is being appreciated by an increased following and each week last house.

An amateur contest is always a source of interest and that given on Friday night in the Opera House under the direction of this company, was no exception to the rule. While there were some entertainers of talent there were others who deserved the "hook" and the remarks passed and the experience of the amateurs were most amusing. Next week's productions are "Ishmael" and "The Gambler and the Girl," while others to be given during the stay of the company are "East Lynne," "The Fatal Wedding," "Under the Bear's Paw," "Thorns and Orange Blossoms," "The Great Temptation," "The Girl of the Sunny South," "Uncle Tom's Cabin," "Under Two Flags," "The Parish Priest," "Ten Nights in a Bar Room," "In the Bishop's Carriage," and "Monte Cristo."

"TIZ" FIXED MY SORE, TIRED FEET

Use "TIZ" Don't Have Puffed-up, Burning, Aching Feet or Corns

"TIZ" makes my feet just normal."

Rehearsals are going with a steady swing for the amateur performance of "A Mist Here," in aid of the Red Cross booked for early production at the Opera House.

The Billy Allen Co. is seeking dates for St. John. It numbers some thirty people and is booked for Quebec, planning to then jump to St. John. Wm. Harder is manager of the company.

Nat Goodwin has filed a libel suit against James Metcalfe of Life, for \$50,000, saying that his reputation has been injured by Mr. Metcalfe's criticism of his book of reminiscences, which was published last November.

On a Tuesday evening last at the Forty-fourth street Theatre, New York, William A. Brady presented Robert Mantell, well known in St. John, for a four weeks' season in his classic repertoire including "King John," "Macbeth," "Hamlet," "The Merchant of Venice," "King Lear," "Richelieu," "Romeo and Juliet," "Othello," "Richard III," "Louis XI," and "Julius Caesar."

On the final night of the engagement one act from each of five plays will be put on. Mr. Mantell is now the only American actor appearing in the standard dramas through the successive theatrical seasons.

Gavin Harris, who was a prominent member of the Helen Garce Co. when it played St. John, is playing in stock in Brooklyn, N. Y.

William Hooper Young a convict serving a term, won a prize of \$100 offered by William A. Brady for the best review of the play, "Sinners," written by an inmate of Sing Sing. It will be recited at the premiere of the play took place in the prison chapel on Christmas Day.

In his review Young wrote:

The play "Sinners," appeared for its first time before the select body of expert "sinners" gathered together at this justly celebrated summer and winter resort (which, by the way, is no sin-cure). The jury was large and enthusiastic, and the verdict rendered was "Not wanting in all that ought to bring success."

There is a cure for you—one that is inexpensive—pleasant to use—and sure to do its work thoroughly. Catarrhozone is no experiment for deafness.

Thousands before you have cleared Catarrh out of their heads by the use of Catarrhozone and have thereby been cured of deafness. No batteries or miniature telephones to bother you—no internal medicine to take—you have simply to follow special directions for the Catarrhozone inhaler. Do this and you'll find a wonderful improvement in short order.

Any drugist can supply you Catarrhozone, or you can for \$1 secure it post paid under plain wrapper from the Catarrhozone Co., Kingston, Canada.

## Scratch Set Up Blood Poison

Zam-Buk Cured Her

Mrs. John Peterson, Watwood, Man., writes,—"Some time ago I scraped the skin off my knee. Not thinking it serious, I merely washed the wound and applied an ointment, and blood poison was set up. However, instead of getting better, my fingers got worse."

"The sores spread quickly and penetrated to the bone. I began to discharge, were terribly painful, and blood poison was starting. I became alarmed and was going to a doctor, when Zam-Buk was recommended."

"I purchased a box and began using it. The first few applications eased the pain and I noticed a decided improvement. Every day my fingers got better under the Zam-Buk treatment, and eventually a complete cure resulted."

Accidents are always happening. It may only be a pin scratch, cut, or burn, but do not forget that whenever the skin is broken there is danger of blood poisoning or other complications. It ends the pain, stops bleeding, and heals.

Zam-Buk is a cure for cuts, burns, bruises, chapped hands, cold sores, piles, eczema, ulcers, and all skin diseases and injuries. All drugists and stores, 50 cents box, or postpaid from Zam-Buk Co., Toronto.
