1866 DIAMOND JUBILEE 1926

60 YEARS OF SERVICE

If, for no other reason than that of causing us to be retrospective so that we naturally view events past and present through the eyes of comparison, resultant action meaning improvement, then it is worth while being as old as 60.

Every day or two we have been able to offer something new and worth while to our customers and as the merchandising celebration of our Diamond Jubilee progresses we look forward, with pleasure, to what we still have to offer them. Our ads. will tell you.
