WEST NEEDS BRITISH SETTLES AND WOMEN (Canadian Finance).

There is a very pronounced feeling against the importation of United States products. This feeling is prompted by the adverse and heavy exchange rate prevailing between the two countries. Imports from the south are of various kinds but there is one particular class which is an exception to the general rule. Our American cousins are in great numbers and, needless to say, no objection is being raised to these imports, provided they are of the kind mentioned. One of the advanced parties of ship.
