

## DOMINION CHIEFS AGAINST UNIONS AMONG POLICEMEN

Calgary, Sept. 19.—A resolution was passed unanimously by the police chiefs of Canada, in convention here yesterday forbidding the unionism of police forces with a view to affiliating with labor movements and asking that legislation be passed to this end. It was explained that when a deputation had taken this up with the federal authorities, it had been found that they had only jurisdiction over the dominion police and the R. N. W. P. The resolution was to be sent to provincial governments, asking that the same regulation be framed to govern provincial and municipal forces.

## WORKERS FROM THE DOMINIONS IN THE BALKANS

The Canadian War Hospital Fund for Serbia, Montenegro and Macedonia, which was established as a Canadian enterprise with headquarters at Winnipeg, and which has received hearty support from all sections of Canada, has now reached the stage where actual work is being done in the Balkans under the personal supervision of Dr. F. W. E. Burnham, founder and president of the fund, who has been a prominent surgeon in Winnipeg for many years. The object of the fund is to provide good medical and surgical treatment for—

(1) Soldiers who are suffering from old wounds, bad joints, chest troubles, rheumatism and the many kindred ailments which have resulted from hunger and long exposure in the fighting line.

(2) Serbian women who, for over three years, have received no other medical treatment than that which the enemy in occupation have chosen to give them.

(3) Soldiers and civilians who have endured slow starvation and torture in the Balkans, and the many kindred ailments which have resulted from hunger and long exposure in the fighting line.

(4) Children who because of the war are orphans and homeless.

Dr. Burnham, after many delays in England, owing to unsettled conditions in the Balkans, reached Montenegro about three months ago and engaged in a general tour of inspection of Montenegro, Serbia and Macedonia at the suggestion of the authorities for the purpose of reporting on the medical, educational and economic situation generally.

In letters received from the doctor, the need for hospital medical, and surgical assistance in those countries is shown to be most urgent.

The doctor states that in and around Dulcigno, where his hospital headquarters will be established, there are five cities of from 2,000 to 6,000 population without a hospital or doctor. In fact Dr. Burnham is the only surgeon there now. The conditions of the country aside from starvation are most unsatisfactory, with malaria and typhus rampant.

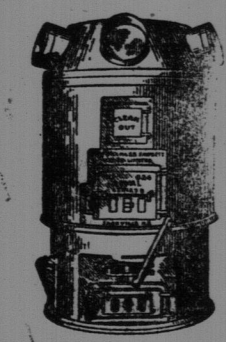

Four volunteer nurses and aides: Mrs. Dr. Burnham, Miss Glenny, Miss Anderson and Miss Toke, all of whom, with the exception of the first named, have had hospital experience in the Balkans, will leave England soon to join Dr. Burnham at Dulcigno. The bulk of the work can be done only by ambulance service until the first hospital at Dulcigno is ready for occupation, which has been very liberal, but it is felt that Canadians will recognize their duty and continue the support of these noble workers in the field who are giving their time and services to the work without remuneration.

The Canadian War Hospital Fund has been strengthened in its efforts by the appointment of a strong advisory board with R. T. Riley, manager of the Northern Trust Company, Winnipeg, Manitoba, as treasurer, and a strong appeal is now being made for support to this worthy charity. The officers of the fund are:—

President—Frederick W. E. Burnham, M. D. C. M.

Hon. Treasurer—R. T. Riley, Winnipeg.

Hon. Secretary—H. W. Whitla, K. C., Winnipeg.

## Fawcett New Rival

Is a coal furnace, which is the result of more than half a century of successful experience and painstaking effort. It is the embodiment of all a Warm Air Furnace should be.

The New Rival is of the finest construction, most compact, durable and best finished Warm Air Furnace on the market. It has large heating surface, every inch of its external area being an active and effective source of heat radiation.

It has many features of unequalled excellence. Accept no substitute or you will regret it.

Ask for circular on Warm Air Furnaces.

Ask your dealer to show you the Fawcett Line or write direct.

## Don't Flirt With Fate

Men exposed alternately to heat and then to cold flirt with fate when they wear inferior underclothing. The careful, sensible worker selects Atlantic because he is sure of getting that service which combines hard wear with comfort, economy and warmth.

Engineers, firemen, railroad workers—robust men of muscle, require underwear that protects them from chill, draught and cold. The Atlantic trade-mark guarantees long-wear.

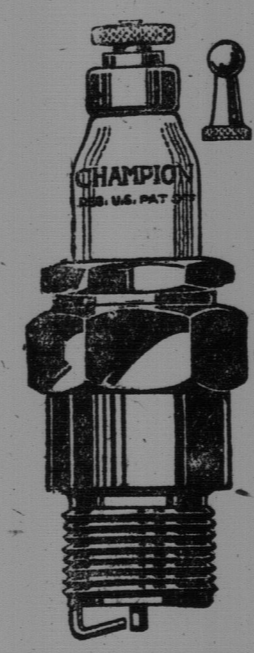

Sold in five different weights and qualities. Our lower priced lines are not equal to the more expensive ones, but each is guaranteed to be the best value of its class. Compare them with others of like price and see for yourself.

## No Motor is Better Than Its Spark Plugs

You may have the best motor in the world, but it cannot produce maximum power without efficient spark plugs.

On the same principle a spark plug is no better than its insulator, which must withstand the same hammering blows of gas explosions and the same rapid expansion as the steel cylinder in which it is placed. That is where 3450 insulators in

3450 separate experiments have produced in Champion insulators a material so much like steel in its ability to take the hardest kind of punishment that it is practically indestructible.

Do you wonder that four out of five gasoline motors and engines have Champion Plugs as standard equipment?

## COMMITTEES APPOINTED FOR SUNDAY CONCERTS

With a view to forming a musical  
club in the city for the purpose of ar-  
ranging Sunday evening concerts during  
the winter an informal meeting was held  
yesterday afternoon in the board of trade  
rooms with W. F. Hatheway as acting  
chairman. A committee of seven with  
R. T. Riley as president was appointed  
to obtain information as to the  
possible talent in St. John and the  
possible number of people who would be  
members of the club. The committee  
was asked to report at a general  
meeting to be called by it at its own  
discretion. Those appointed on the com-  
mittee were Miss Pauline Beiderman,  
Mrs. Kent Scovill, Miss Amelia Green,  
Miss Louise Knight, Mrs. A. C. D. Wil-  
son, L. LeLachur and Walter H. Gold-  
ing.

It was suggested at the meeting that  
600 or 700 people in the city might be  
members of such a musical club  
as proposed and pay a fee of \$5 to \$8  
which would entitle them to two admis-

sions to the concerts to be held on pos-  
sibly twenty Sunday evenings. If this  
could be arranged it was believed that  
the club would be a financial success.  
It was questioned as to whether there  
was sufficient talent in St. John for  
weekly programmes.

MEMBERS CRITICISE THE  
BOARD OF COMMERCE

Ottawa, Sept. 19.—The new board of  
commerce, appointed by the government  
to curb profiteering and take other steps  
for decreasing cost of living in Canada,  
came in for some severe criticism at the  
hands of members on both sides in the  
house of commons today. Dr. Michael  
Clark, of Red Deer, started the adverse  
comment when he rose to speak on an  
amendment to the Board of Commerce Act to fix  
the salaries of the chairman at \$10,000, and  
of the other two members at \$8,000  
each.

Judging by the "economic antics" of  
one of the members of the board, said  
Dr. Clark, the money spent on it was  
being worse than wasted. This commis-  
sioner, he said, had actually gone the  
length of threatening to forbid exports,  
a proposal which would suggest that he  
was on the verge of "economic insanity."
