THE PREACHER'S WIFE

The Interesting Story of a Lady Who Had Lived for Thirty Years in the Shadow of Sudden Death

Mrs. S. S. Ballaine, wife of Rev. S. B. Ballaine, of Horine station, Mo., has or many years led the life of an invalid whom the dread summons might come t any moment, until a kind providence threw in her way the remedy that has estored her to health. Her recovery hould be repeated in every paper in the land that others suffering might profit by the experience of Mrs. Ballaine, nd be saved. A correspondent of the Globe-Democrat determined to start the good work, and called at the Ballaine ome, believing that the story would be of far greater value and interest if old in the lady's own words. She welcomed the visitor to her house and expressed her willingness to be interviewd. "My story," said she, "is a simple one of suffering and relief. I have have had a disease of the heart from which few ever recover, and from which never expected to recover. I had risen and lighted a fire one-moring feel ing in normal health, when I suddenly became unconscious. I knew no more until I recovered my senses in bed. They told me that I was black in the face, and when first picked up no motion o the heart was perceptible. About six years ago I was attacked with a variety. of afflictions, such as short breath, extreme weakness, fainting spells, and most annoying of all, a burning, irritating nettle rash, that at times rendered me almost frantic, and, as you can readily understand, seriously aggravated my eart troubles. One day glancing over religious paper published in Montreal I was born in London, England, and was married in Canada, where we lived for a while). I read the testimony of a lady whose case was much like mine and who had been benefited by Dr. Wil liams' Pink Pills for Pale People. Having seen the remedy advertised in other reputable papers, I resolved to try them. It was a heavenly resolution. The first box had a most miraculous effect; the nettle rash disappeared as if by magic, and my trouble yielded to the medicine like the snow yields to the spring-time sun, and I feel better to day time I have for twenty years. I cannot say too much about my improved condition; my blood is full and rich, my appetite is good, my nerves are steady. I sleep soundly and wake up refreshed, perform the manifold duties of the household and surely my heart must be in good condition when I answer to all these conditions. Dr. Williams' Pink Pills are offered with a confidence that they are the only perfect and unfailing blood builder and nerve restorer, and where given a fair trial disease and suffering must vanish. Sold by all dealers or sent by mail or receipt of 50 cents a box or \$2.50 for six boxes, by addressing the Dr. Williams Medicine Co., Brockville, Ont., or Schenectady, N. Y.
