### CHRISTMAS GOODS ARE NOW ARRIVING

AN INCREASE IN THE PRICE OF TURKEYS

Scarcity Throughout Canada Will Make Birds Unusually Expensive -Market Quotations.

Christmas goods arived from the East in considerable quantities during the past week. All varieties of nuts, raisins, peels, etc., are displayed in the show windows of local grocery establishments. They are marked at the usual prices, and are of as fine a quality as have been received previously. Eastern turkeys, also, are beginning to make an apearance. So far only a very few have arrived, and the retail figure-30 cents per pound-is exceptionally high. As far as can be judged at present the wholesale quotations during Christmas week will demand a much larger retail price than has been quoted for the past three years. It price will range from 20 to 25 cents per heretofore it has been as low as 18, and ven 16 cents, the extent of the rise can be better realized. This fluctuation is Carrots, per 100 lbs. ...... throughout Eastern Canada. Oats and hay, it is announced, are likely o increase in price during the next few

days. At present both commodities are bringing a better figure on the lower Mainland than they are here. Therefore Victoria merchants are daily expecting a rise. Corn will probably fluctuate in the other direction, as it is understood that there is plenty of that article in re-As mentioned in the Times last week. ise in the retail figure placed on flour looked for. So far no move has been

taken by the wholesale dealers, but there seems no doubt in the minds of grocers that the expected change will come at It is interesting to note that wild duck have been placed on the local market in of the rainy season. Mallard, teal, large quantities since the commencement vidgeon and pin tail ducks, as well as brant and Canadian geese, are to be had at any of the stores at the prices quoted. Judging by the numbers exposed for sale,

there are plenty of these birds obtain Appended are the complete retail quo

RUGBY FOOTBALL A COMPARISON.

An exceedingly interesting article on football appears in the last issue of Collier's. It discusses the tactics of Eastern and Western American teams ern tour about that time and is anxious. Eastern and Western American teams in a most entertaining manner, giving the records of the most prominent teams to arrange for three games with Victoria and their style of play. It reads in part warded by the J.B.A.A. agreeing to the J.B.A.A. agreeing to the J.B.A.A. agreeing to the style of the J.B.A.A. agreeing to the style of the J.B.A.A. agreeing to the style of as follows:

"The idea of running up as big a proposal, so that a first class game is in

The idea of running up as big a score as possible in every game is typical of this enthusiasm for football perse in the Middle West. Chicago defeated Northwestern 32—0. Although the season was still young and there were plenty of hard games alread, and although Northwestern was plainly beaten after the first twenty minutes of play, the Chicago varsity men were kept in the game until the very end of the second half. There was no let up on them. To one used to seeing the Harvard and Yale varsity back-field made up of substitutes just as soon as the game is well stitutes just as soon as the game is well in hand, it was odd to see a star half back like Bezdeck, of Ghicago, slamtones:

"Remember, gentlemen, to be careful his knee plainly was hurting arm severe about your laughter when you are in ly, and when a chance wrench might put him out of play for the rest of the sea-

## NOBLE CANADIAN MOTHERS

McKinnen,
Ingonish, C.B
writes: "Psychine does all that is claimed for it. I know of no better tonic or blood purifier. Through disease and overwork I became greatly run down; had no appetite; was weak and nervous; life was something to be endured rather than enjoyed. Growing steadily worse with other treatments, I tried Psychine, and with the most pleasing results."

Psychine is woman's truest friend. With Psychine worm blood will be made pure and rich; new vigor will be instilled into your nerves; you will increase in weight and strength; health and vitality will displace weakness and disease.

Tacal how graden as a column or the proposition of the

former outclassed his opponent, and in the second round secured the decision by knocking out Miller with heavy blows to body and head.

The principals of the twenty-round bout were then introduced and the fight commenced. It lasted three rounds. At the end of the second meither had gained any material advantage, but in the third Clark
