
## HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND BAD DIGESTION.

*Copy of a Letter from Mr. F. W. Kirkus, Chemist, 7, Vernon Street, Liverpool, dated 6th June, 1851, to Professor Holloway.*

Sir,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, advises me to let you know the particulars of her case. She had been troubled for years with a disordered liver and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to beat up under it; fortunately she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above from the severity of the attack, and the speedy cure, I think, speaks much in favour of your astonishing Pills. (Signed) R. W. KIRKUS.

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMEN'S LAND.

*Copy of a Letter inserted in the Hobart Town Courier, of the 1st March, 1851, by Major J. Welch.*

Margaret M'Connigan, nineteen years of age, residing at New Town, had been suffering from a violent rheumatic fever for upwards of two months, which had entirely deprived her of the use of her limbs; during this period she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do and in an incredible short space of time they effected perfect cure.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 84 YEARS OF AGE.

*From Messrs. Thew & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement.—August 2nd, 1851.*

To Professor Holloway.

Sir,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach which was also accompanied by shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues; I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed) HENRY COE.

AN EXTRAORDINARY CURE OF THE GRAVEL, AND A MOST DANGEROUS LIVER COMPLAINT.

*Copy of a Letter addressed to J. K. Heydon, Esq., Sydney, New South Wales, dated February 25, 1851.*

Sir,—A Mr. Thomas Clark, a Settler at Lake George, for a considerable time seriously afflicted with a Complaint of the Liver, together with the Gravel. His medical attendants, after trying all their professional skill, candidly told him that his case was hopeless, and any further efforts useless. In this situation, and when expecting every day would terminate his existence, a friend recommended him to try Holloway's Pills, and as a forlorn hope he did so, the first dose gave him considerable relief, he therefore persevered in taking them according to the directions, and is now restored to perfect health. He will feel great pleasure in confirming this statement, or even make an affidavit to the same effect, should it be required. (Signed) WILLIAM JONES,

Proprietor of the Goulburn Herald, New South Wales.

## ROCK ROSE.

For all cases of Scrofulous Diseases, Tumours, Salt Rheum, Sick Headache, Canker & Fever Sore, Bad Blood, General Debility, &c. &c. &c. Rock Rose has ever received such high testimonials from persons who have been afflicted with the above named diseases, as the Rock Rose Bitters can do. It is an elegant preparation, perfectly safe, and wonderfully efficacious in cases of Scrofula and Medicinal properties of the Rock Rose Plant by becoming acquainted with its healing virtues, and desire to have it more extensively known and used.

The following is an extract from a note of the first page of a book published by D. A. Tyler, M. D., New Haven, Conn. on the efficacy of Rock Rose. "I can safely say that I have prescribed more than three dozen bottles of Rock Rose Bitters, and never knew any expectation of them ever being disappointed in the result. In every case they have proved beneficial, and in many cases have effected a cure when all other remedies had failed. I have been induced to write this short notice, from the fact that I have been asked my opinion of the Rock Rose Bitters, and have given it as my opinion that it was cultivated from seeds. Yale College, 1850."

PROF. IVES, OF YALE COLLEGE.

"I have habitually used it with great success in Scrofula, and Chronic Disease, and though but a few times were made known unto me Dr. Tyler says, in this book, it was my intention to have used it in domestic practice, for the cure of Scrofula and cutaneous diseases." Dr. Wadlaw, a Scotch botanist of notoriety, while travelling in America, in 1814, learned its use in Canada. Returning to England, he employed it in medicating his baths, when became greatly celebrated for the cure of scalded diseases.

DR. PARISH, OF PHILADELPHIA.

Remarks that it has been successfully used in such cases of Scrofulous Diseases.

DR. J. H. THOMPSON, OF THE SAME PLACE, Prescribed it in bad cases of Scrofulous patients at Wells' Hospital. His success attracted the attention of senior physicians. He reports the following remarkable cases of White Swelling of the right hip in February, 1844. The lad was seven years old, and had the disease for three years. The bone was dislocated upward and outward. There was a large opening on the hip leading to the bone, into which I could thrust my finger. I counted twelve ulcers. He had been under several physicians, who had given him up. I ordered a decoction of the *Rock Rose*. In two days his night sweats ceased; I then ordered a tea spoonful of the tincture of Rock Rose three times a day. *Thirty-nine days after he was entirely well.*

For sale by *Druggists Generally*, where Circulars and Certificates of cures may be obtained.
