

FATHER AND SON DROWN

James Matchett, of Boom Road, and 12 year old son lose lives crossing the Northwest Miramichi.

Newcastle, Sept. 7.—A terrible accident happened at Boom Road yesterday afternoon, when James J. Matchett, farmer and lumberman of that place, was drowned with his twelve year old son Guy. Mr. Matchett and his son set out to cross the Northwest Miramichi in an express wagon, the boy driving and the father sitting in the rear leading a colt he was taking to pasture. No one saw the accident, but John Mullin and his son noticed the horse struggling and went out in a boat to rescue it. They got out the horse in a hole 20 feet in diameter and about 16 feet deep, made much deeper by the recent freshet. The wagon being attached they looked round and saw two feet floating. Then they found Mr. Matchett's body, then his son. The latter's clothes were torn. It is supposed he got tangled in the rising and the father perished in trying to save him. There appeared to be still some life in the father, but all attempts at resuscitation failed. Everyone was supposed to know there this hole was and to avoid it, but the boy evidently forgot, where it was. Deceased was about 55 years old and leaves a widow, Elizabeth, daughter of Thomas Johnson of Redbank, and following children: Fred, Boom Road; Mrs. James Parks, Upper Derby; Mrs. Robt. Mullin, Boom Road; Henry, Eliza and Roberta at home. Funeral took place this afternoon, Rev. J. F. McCurdy, conducting services, interment in St. Stephen's cemetery, Redbank.

INTERESTING LETTER FROM ST. JOHN SOLDIER

An interesting letter was received yesterday by H. M. Leo of St. George street, West St. John, from his son, Corporal Charles F. Leo, who is with the Second Ammunition Column, now at Otterpool Camp, England. The letter is dated August 21st and the writer states among other things that on that afternoon he met a fellow named Andrews at the camp. He was wounded and was in the hospital at Reading. Andrews' father works with Charles Dingley, the carpenter, and both are in the employ of Samuel Drury in St. John. Andrews was in the First D. A. C. and with Corporal Eddie Clark went to an artillery battery. Andrews was wounded with shrapnel in the legs and hands. He said that while he was in the Reading hospital the King and Queen visited them. Andrews and a chap from Winnipeg were the only Canadians in the hospital and the King told him how proud he was of the Canadian boys. The Queen, on hearing of his injuries, cried like any good British woman would. She must love every one of her boys too. "We certainly should be proud to fight for such monarchs as we have," the King has been visiting the boys in the hospital every chance he gets. This morning Gen. Sam Hughes visited the convalescent home which Harry Andrews is in now, and spoke of his boys. (That's what he calls them.) He told them that he considered them the best there were. He said they didn't know when to stop when they started at the Germans. Speaking of a conversation with another wounded soldier, Corporal Leo said this man told him the time the Canadian sergeant was crucified two hundred Germans were taken prisoner, just after it. They were handed over to two battalions in a trench. (They were Toronto and Montreal battalions.) When the guard marched in to march the prisoners off, the fellows started to throw dead Germans to them. They shot the two hundred Hunns out of revenge. The Germans dread the Canadians more than any one else. "The latest word is that we expect to get over to France in a couple of weeks. I hope this is so, so that I can get used to it before the winter starts in on us. It will then be up to you folks at home to get some woolen socks over to me. We wear the heavy grey socks together as they are the easiest on the feet. I am as well as ever and enjoying life as it comes to me. No fellow can say that his life is not the right kind, that is if he is strong at all."

TO QUICKLY REMOVE UGLY HAIRS FROM FACE

(Beauty Notes.)
Beauty-destroying hairs are soon banished from the skin with the aid of a delicate paste, made by mixing some water with a little plain powdered delatone. This is spread upon the hairy surface for 2 or 3 minutes, then rubbed off and the skin washed to remove the remaining delatone. This simple treatment banishes every trace of hair and leaves the skin without any redness or irritation. Caution should be taken to be certain that it is delatone you buy.

CITY ASSESSMENT COMMISSION.
The City Assessment Commission will hold a public session on Wednesday evening, September 8th, 1915, 8 o'clock, in the Common Council Committee Rooms, City Hall, Prince William street. The Commission will welcome all who are interested and who desire to present their views.

MUNICIPAL ELECTIONS IN YORK COUNTY

Contests in ten parishes, but elections furnished few surprises.

Special to The Standard.
Fredericton, Sept. 7.—Municipal elections in York County today furnished few surprises. There were contests in ten parishes and the results in all were known here tonight with the exception of McAdam and North Lake. Interest centred very largely in the contest in St. Marys, where Coun. A. B. Neill was re-elected with Howard Young in a three cornered fight in which Clarence Goodspeed, a former Liberal standard bearer in the provincial contest, was a very poor third. Those elected in the contests of which the results have been heard are: Canterbury—Coun. Hugh Smith and ex-Coun. Clarence A. Grant. Dumfries—Coun. Thos. Thomas Brewer and Hiram Manuel. Kingsclear—Coun. T. C. Everett and Benj. Goodell. Prince William—Coun. Robt. Graham and Frank Saunders. Queensbury—Coun. Chesley Hallie and Alex. B. Jones. St. Marys—Coun. A. B. Neill and Howard Young. St. James—Coun. James Douglas and Bertie Clarkson. Town of Maryville—Coun. D. Pickard and Elwood Allen.

LOST THEIR WAY IN WOODS, FOUND IN A STATE OF EXHAUSTION

Mechanic Settlement, Sept. 1.—Mr. Robert Scott, Waterford, was the guest of Mr. and Mrs. R. L. Moore, first part of the week. A party from this place went picking blueberries last Tuesday morning about noon. Two of the party went in search of water, thinking it was quite near. They were gone so long their friends became alarmed and went to look for them. They found them in a very exhausted condition, where they had been wandering around for about two hours. Miss Ada Chambers visited her sister, Mrs. McNair, Sunday. R. L. Moore is building a new warehouse for A. W. Carleton, Penobscus. The three-year-old child of Robert L. Moore was bitten on the eye by a dog. Fortunately the wound is not deep and the wound of lost her eye, brother, Stuart at the time went to the pantry to get some shot to destroy the animal and in so doing his hand in some way upset a bottle which fell and broke the eye. Miss Constantine was in the house at the time, so by her skillfulness the glass was extracted after an half hour's work.
