Accepts Writ of Dom. Coal Company

Matter of Rebate on Assess-
ment Will Likely Go to
Court—The Portland Roll-
ing Mills Assessment Bill
is Held.

At a committee meeting of the Com-
mon Council held yesterday morning

MIDDLEMORE HOME

A party of children expected
to arrive from England,
those desirous of applying are
requested to forward applica-
tions at once. Address all
communications, Middlemore
Home, Fairview Station, Hal-
ifax Co., N. S.

The Mayor announced that a bill fixing
the assessment on the personal prop-
erty of the Portland Rolling Mills
in accordance with an old agreement
made between the company and the
city had been prepared, but he under-
stood that the mill had changed hands
and there was a possibility of the
plant being scrapped. He suggested
action be delayed until information
could be obtained.
Commissioner Thornton said he un-
derstood the present owner was or-
ganizing a company to work the
plant.
The Mayor also announced that in
the matter of the Dominion Coal Com-
pany's request for rebate on their as-
sessment with regard to the average
stock in trade on hand in 1910, a writ
had been delivered to him, and he
asked what action the Council would
take in the matter. It was decided to
accept the writ. The matter will likely
go before the Court.

Keeping It Dark.

Master of the House—"Why did you
tell the mistress what time I came in
this morning, after I expressly paid
you and told you not to?"
The Cook—"Sure, sir, an' Oi didn't
tell her. She asked me what time you
got in, an' Oi told her Oi was so
busy getting the breakfast that Oi
didn't hear as she clocked."

Dr. Vincent Was Guest of Honor

Chairman of Rockefeller
Foundation Was Dined at
Union Club by Medical So-
ciety — Had Conference
With Minister of Health.

G. E. Vincent, Ph.D., LL.B., Chair-
man of the Rockefeller Foundation,
was the guest of the Medical Society
at a banquet given in the Union Club,
yesterday. Dr. A. Edward Lege pre-
sided, and covers were laid for forty-
five. Addresses were given by Dr.
Vincent, Hon. W. F. Roberts, Minister
of Public Health, Mr. Murray Mac-
Isaac, and others, and all speeches
dealt with matters of interest to the
medical profession and to the public
generally.
Dr. Roberts was with Dr. Vincent
most of the morning, discussing ques-
tions pertaining to public health, in
which both are greatly interested. The
Minister of Health put the interests
of New Brunswick before Dr. Vincent
in connection with the distribution of
funds from the foundation, but the
curator of the foundation did not com-
mit himself as to whether a share
might be expected by this province
for hospital and health development.
The fun is more particularly for med-
ical colleges to aid in education.

Common Council Met In Committee

Delegations from Lancaster
and Lansdowne Avenue
Heard—Former Wants Site
for Athletic Field, Latter
Requests Sidewalks and
Streets.

The Common Council heard two
delegations at a committee meeting
yesterday morning.
A delegation from Lancaster, con-
sisting of Councillors O'Brien and
Golding, Rev. Wm. Townsend, Rev.
W. P. Dunham, Rev. Thomas Marshall,
W. J. Linton, T. J. O'Rourke, J. A.
Barry, S. C. Tippet, Rev. A. S. Bishop
and H. M. Stout, asked for the grant
by the city to the Parish of Lancaster
of a portion of Park Place, the new
townsite, for the purpose of an athletic
field.

Councillors O'Brien and Golding,
Rev. Mr. Marshall, Mr. Patiquin and
J. A. Barry addressed the Council, put-
ting forth good arguments why the
site should be granted.
The matter was referred to Com-
missioner Bullock to consider and re-
port back.

Lansdowne Avenue Delegation.

A delegation of property owners on
Lansdowne avenue was next heard.
They petitioned for concrete side-
walks, grass plots, concrete curbing
and a waterbound macadam roadway,
to be constructed under the present
Local Improvement Act. They point-
ed out that they were willing to pay
directly for the new work, and did not
ask as had other delegations, that the
work be charged to general assess-
ment.

G. Barle Logan, Hugh Bruce and
Bert Pugh spoke in support of the
petition. Other members of the dele-
gation were Robert Carson, George
Appt, R. Parkhill, A. Gale and Wil-
liam Peterson.

After some discussion it was decid-
ed to proceed with the new sidewalk
and street work.

BRUTAL MURDER IN CONNECTICUT

New Britain, Conn., March 17.—The
boy of Mrs. George Evans, aged 20,
was found by her sister, Mrs. Albert
W. Powell, in a trunk in her room
today. She had been strangled with
the reins from a toy horse, belonging
to her four year old son. The police
are searching for a man, who has not
been seen since yesterday. Mrs. Pow-
ell says her sister married Evans at
the age of 14.

Later.
A man taken to Bellevue Hospital
today, after having attempted suicide
at the Park Avenue Hotel, is said by
the police to have confessed that he is
George Evans and that he strangled
his wife at their lodgings in New Bri-
tain, Conn. He registered at the hotel
last night as George E. Van. Today
he was found in bed with his throat cut
with a piece of bottle glass. He had
also taken poison.

In delirium this afternoon two de-
tectives say they heard him admit that
he had choked his wife Anna to death
with the reins from their child's hob-
by horse. While on the operating ta-
ble, the detectives say the man made a
confession, declaring that for the last
week he had quarrelled with his wife,
whom he married, when she was four-
teen, that yesterday morning he had
taken her to task for alleged miscon-
duct, and that she had replied with a
remark that so enraged him that he
strangled her.

"I don't care what happens. I am
willing to go to the chair," he is quoted
as saying. Physicians say he will re-
cover.
