

Hamilton Ladies' College

AND CONSERVATORY OF MUSIC (37th Year)

This College naturally expects the patronage of the Hamilton Conference. It is the oldest Ladies' College in the Province, and is very complete in its equipment. It has over 150 rooms. Young ladies should remember, for it is much to them, that in addition to rare educational privileges this College furnishes the social advantages of church, concert, lecture, etc., of a growing city of over 50,000 inhabitants. A new pipe organ will be in place for the opening in September.

For terms, etc., address the Principal.

JUST PUBLISHED

Canadian Savage Folk

The Native Tribes
of Canada

By JOHN MACLEAN, M.A., Ph.D.

Author of "The Indians of Canada," "James Evans, Inventor of the Cree Syllabic System," etc.

Cloth, Illustrated, \$2.50

Contents.—Some Queer Folk—In the Lodges—Church and Camp—Native Heroes—
Native Religions—Races and Languages—On the Trail.

REV. DR. WITHROW writes in *Onward*: "This is, we believe, the largest and most important book on the native races of Canada that has yet been published. It is the result of the careful and thorough study of many years. During his missionary life among Indian tribes and by subsequent investigation, Dr. Maclean has familiarized himself with the languages, traditions, religions, manners and customs of the Canadian aborigines. His previous volume on the Indians of Canada is a demonstration of his qualifications for treating the records of our native races. This book will be a permanent authority on this subject."

"The most complete work on the Indian races of Canada yet issued. Dr. Maclean traverses the whole ground with great wealth of historical knowledge, intimate personal familiarity with the subject, and a lively literary style. This book is filled with anecdotes, and many pages are as intensely interesting as a romance. The religion, language, etc., are fully gone into. No more entertaining book has been published."—*Bookseller and Stationer*.
