**Conductor Was Fined.**  
Convicted of a breach of the  
O. T. A. Grand Trunk conductor  
of Toronto was fined \$300 and  
costs in the Sarnia court as the  
result of ten bottles of whiskey  
being found on his train as it en-  
tered the Sarnia tunnel en route from  
Toronto to Port Huron.  
The charge followed a trip through  
the coaches by the United States  
customs officials as the train was  
about to enter the tunnel for Port  
Huron. They came to a locked  
compartment which, when open-  
ed, revealed a black bag contain-  
ing ten bottles of whiskey. The  
conductor strenuously denied in  
court that he owned the goods,  
but stated that the bag was merely  
placed where it was found to be  
turned in at Sarnia on the return  
trip. It is likely that an appeal  
will be entered.  
See Mrs. Lettingwell's Boots at the  
Allen to-night.

Krug's Music. 12-3-2t.  
**A SIMPLE WAY TO**  
**REDUCE WRINKLES**  
Remember that wrinkles and bagginess  
of cheek or chin are due to the  
muscular tissue losing its strength and  
shrinking. The skin is then too large  
in area to fit such tissue smoothly. It  
wrinkles or sags.  
To remedy this condition, there's  
nothing so effective, so quick acting, as  
a simple wash lotion easily made at  
home. Just get an ounce of pure pow-  
dered azolette from your druggist and  
a half pint of witch hazel, mix the two  
and bathe your face in the liquid. This  
at once tightens the skin and solidi-  
fies the underlying tissue—which, of  
course, smooths out the lines and  
draws in the sagging skin. It also  
stimulates capillary circulation, bring-  
ing natural color to faded cheeks.

Death of Little Son.  
The sad intelligence has been  
received by Mrs. B. F. Stumpf  
of the death of her little son, George  
Stumpf of Gravenhurst, formerly of  
this city, at the early age of 4 years,  
8 months and 9 days. Many friends  
will regret to hear of the bereave-  
ment which has befallen the family  
and will extend sympathy to them  
in this hour of sorrow. Mr.  
Stumpf has been a resident of Graven-  
hurst the past 6 or 7 years, having  
gone North for the benefit of his  
health. While in the city he was  
employed as a salesman and friend  
will be pleased to learn that, since  
going North he has been much  
benefitted in health. The loss of  
a bright young son is a sad blow  
to the parents.
