One Out of Thousands of Cures Effected by the Use of Harriet Hubbard Ayer's Recamier preparations and Remedies.

HEMSTEAD, L. I. May 17th, 1889.

MRS. HARRIET HUBBARD AYER.

MY DEAR MADAM—I have been afflicted with what the physicians called "Acne Roseacea" for twelve years, and have tried almost everything and have been treated by several physicians, but without more than temporary benefit.

Finally, I was pronounced incurable and had become almost entirely discouraged, when I made up my mind to make a trial of your remedies, and the result has been most gratifying, as I now believe that I am cured of my trouble, not having had a return of it in at least two months. I feel that I can safely say to anyone suffering from any skin disease, that the RECAMIER PREPARATIONS will cure them if they will give them a fair trial, as I consider my cure as almost miraculous.

You are at liberty to refer any one to me who doubts this is a genuine testimonial, freely given by one who was cured by the "Recamier Preparations" of a most troublesome skin affection. I remain sincerely yours,

H. E. POWERS.

Recamier Cream, which is first of these world-famous preparations, is made from the recipe used by Julie Recamier. It is not a cosmetic, but an emollient to be applied at night, just before retiring, and to be removed in the morning by bathing freely. It will remove tan and sunburn, pimples, red spots, or blotches, and make your face and hands as smooth, as white, and as soft as an infant's.

Recamier Balm is a beautifier, pure and simple. It is not a whitewash, and, unlike most liquids, Recamier Balm is exceedingly beneficial, and is absolutely imperceptible except in the delicate freshness and youthfulness which it imparts to the skin.

Recamier Lotion will remove freckles and moth patches, is soothing and efficacious for any irritation of the cuticle, and is the most delightful of washes for removing the dust from the face after travelling, and is also invaluable to gentlemen to be used after shaving.

Recamier Powder is in three shades, white, flesh, and cream. It is the finest powder ever manufactured, and is delightful in the nursery, for gentlemen after shaving, and for the toilet generally.

Recamier soap is a perfectly pure article, guaranteed free from animal fat. This soap contains many of the healing ingredients used in compounding Recamier Cream and Lotion.

The RECAMIER TOILET PREPARATIONS are positively free from all injurious ingredients, and CONTAIN NEITHER LEAD, BISMUTH NOR ARSENIC, as attested to after a searching analysis by such eminent scientists as

HENRY A. MOTT, Ph.D., LL.D.,  
Member of the London, Paris, Berlin and American Chemical Societies.

THOS. B. STILLMAN, M.Sc., Ph.D.,  
Professor of Chemistry of the Stevens Institute of Technology.

PETER T. AUSTEN, Ph.D., F.C.S.,  
Professor of General and Applied Chemistry, Rutgers College and New Jersey State Scientific School.

If your druggist does not keep the Recamier Preparations, refuse substitutes. Let him order for you, or order yourself from either of the Canadian offices of the Recamier Manufacturing Company, 374 and 376 East, Toronto, and 50 Wellington Street New York prices: Recamier Cream, \$1.50; Recamier Balm, \$1.50; Recamier Moth and Freckle Lotion, \$1.50; Recamier Soap, scented, 50c.; unscented, 25c.; Recamier Powder, large boxes, \$1.00; small boxes, 50c.

### HOMESTEAD REGULATIONS.

All even numbered sections, excepting 8 and 26, are open for homestead and pre-emption entry.

#### ENTRY.

Entry may be made personally at the local land office in which the land to be taken is situate, or if the homesteader desires, he may, on application to the Minister of the Interior, Ottawa, or the Commissioner of Dominion Lands, Winnipeg, receive authority for some one near the local office to make the entry for him.

#### DUTIES.

Under the present law homestead duties may be performed in three ways:

1. Three years' cultivation and residence, during which period the settler may not be absent for more than six months in any one year without forfeiting the entry.

2. Residence for three years within two miles of the homestead quarter section and afterwards next prior to application for patent, residing for 3 months in a habitable house erected upon it. Ten acres must be broken the first year after entry, 15 acres additional in the second, and 15 in the third year; 10 acres to be in crop the second year, and 25 acres the third year.

3. A settler may reside anywhere for the first two years, in the first year breaking 5 acres, in the second cropping said 5 acres and breaking additional 10 acres, also building a habitable house. The entry is forfeited if residence is not commenced at the expiration of two years from date of entry. Thereafter the settler must reside upon and cultivate his homestead for at least six months in each year for three years.

#### APPLICATION FOR PATENT

may be made before the local agent, any homestead inspector, or the intelligence officer at Medicine Hat or Qu'Appelle Station.

Six months' notice must be given in writing to the Commissioner of Dominion Lands by a settler of his intention prior to making application for patent.

Intelligence offices are situate at Winnipeg, Qu'Appelle Station and Medicine Hat. Newly arrived immigrants will receive, at any of these offices, information as to the lands that are open for entry, and from the officers in charge, free of expense, advice and assistance in securing lands to suit them.

#### A SECOND HOMESTEAD

may be taken by any one who has received a homestead patent or a certificate of recommendation, countersigned by the Commissioner of Dominion Lands, upon application for patent made by him prior to the second day of June, 1887.

All communications having reference to lands under control of the Dominion Government, lying between the eastern boundary of Manitoba and the Pacific Coast should be addressed to the Secretary of the Department of the Interior, Ottawa, or to H. H. Smith, Commissioner of Dominion Lands, Winnipeg, Manitoba.
