An Act to amend the Sydenham Mountain Road Act, and to vest in George Rolph, Esquire. his heirs and assigns, certain privileges therewith connected.

WHEREAS the inhabitants of the District of Gore Preamble. have failed in taking advantage of the Act to establish the Sydenham Mountain Road, and whereas George Rolph, one of the former Petitioners to Parliament for the said Act, has made and macadamized the said Road, at his own expense and completed the same at a cost of £2,650; and whereas the fee simple of the land composing the said Road is his own private property; and whereas it is but just and right that the said George Rolph, having benefited the country by the expenditure of his capital and labor in making the said Road, should be secured in all the advantages set forth in the Act aforesaid; and whereas the Municipal Township Council of the Township of West Flamborough has passed a By-law recognising the payment of tolls on the said Road, and to shut up the old Kill Horse Road, now useless to the public by the formation of the Sydenham Road, as by reference to the Act of the Municipal Council of the said Township, passed in January last, will more fully appear: Be it therefore enacted, &c.,

That the whole of the said Act passed in the Session held in the fourth and fifth years of Her Majesty's Reign, and intituled "*An Act to establish a Company by the name of the Sydenham Mountain Road Company,*" is hereby repealed, excepting that portion which relates to the amount of tolls to be demanded and taken, which tolls are hereby vested in George Rolph, his heirs and assigns, for ever. Act 4 & 5 Vict. c. 80, repealed. Exception.

II. And be it enacted, That the said George Rolph, his heirs and assigns, shall have full power and authority to demand, sue for, collect and recover against persons travelling on the said Road, the tolls allowed by the Act aforesaid, and in the same manner as is pointed out by the Act passed in the twelfth year of Her Majesty's Reign, and intituled "*An Act to authorise the formation of Joint Stock Companies for the construction of Roads and other Works in Upper Canada,*" before Justices of the Peace. G. Rolph may recover tolls. 12 Vict. c. 24.
