

RE-DISCOVER THE ROCKIES

The Transcontinental Line of the Canadian Northern Railway traverses a section of the Canadian Rockies of exceptional grandeur, possessing characteristics absolutely distinct from those of older and more Southerly Routes.

Those who are travelling to Vancouver, whether on Business or for Pleasure, will find themselves well repaid for their patronage of our Line by the opportunity of traversing a new section of Canada, and of recovering that thrill aroused by their first glimpse of towering snow-capped peaks and rugged canyons.

For literature and information, apply to General Passenger Dept., 68 King St. E., Toronto, Ont.; 226 St. James St., Montreal, Que.; or Union Station, Winnipeg, Man.

2nd ANNOUNCEMENT

RESERVATIONS

Already we are receiving inquiries about reservations from people who are going to the West Indies this winter, and among those from whom letters have come, we observe several who made the trip with us last season, an unmistakable sign, we think, that the "Royal Mail" is a popular service.

Present indications are that there will be a very large passenger business to the West Indies this winter, and we advise those who are thinking of going to make their passage reservations immediately.

The minimum rate ticket from Halifax to Demerara, returning to St. John, is \$125.00. The time occupied on the voyage is 40 days.

AIR IS CHEAP— USE PLENTY OF IT

Nothing is as essential to the life of your tires as air. New air is cheaper than new tires.

Give your tires all the air they need.

The only way to KNOW whether or not your tires have enough air is to measure it with a

Schrader Universal
Tire Pressure Gauge

If you have been riding on haphazard pressure, you have been spending a great deal more money for tires than you need have spent.
