### HIPS MARYSVILLE ROYALS 12-2 POSITIONS CHANGE IN HOOP BATTLE

The University of New Brunswick senior Hockey players continued their winning ways on Wednesday night when they clinched the York County League leadership by handing the Marysville Royals a 12-2 defeat in a dull and uninteresting game at York Arena. The UNB squad found the disorganized Royals a hard team to play against and only showed the craft that was evident against Mt. A. in the third period when six scores were batted past Johnson. Johnson was called on to handle 51 shots while Steele in opposite net made 23stops. Stars of the night were forward Bedard and defenceman Ballantyre. The former added six points to his scoring total to make him leader in the department while Ballantyne, the Kapuskasing terror shone on defence by getting two goals and one assist.

Friday February 11. 1949.

Piay was even for the first five minutes with Marysville attacting first. Steel made a good save from White. At the four minute mark Spear opened the scoring, neatly stickhandling past two Marysville defencemen to beat Johnson easily. Williams got an assist on the play. Kennedy got UNB's second goal on a pass from Ballantyne and at the 18 minute mark Tilley Boyle stepped on the ice and scored a good goal for Marysville to reduce the arrears. With 15 seconds left in the period after Johnson had made a miraculous save from Bedard Pike relayed the puck to Lorimer who beat him with a low shot.

The hockey got faster and rougher in the second period with Baily of Royals and Bjerkland in turn downing penalties. At the two minute mark UNB hemmed their opponents in but baseball catcher Johnson dealt with their high shots in fine style. When Chubby White was off Lorimer scored no. four from linemates Pike and Bedard and after 14 minutes Bedand drove Ballantyne's pass into net. Two minutes later Savage tallied Marysville's final score from the Moore brothers. Bedard gave UNB a 6.2 advantage at the end of the sec
