Re Claim of McMahonester to Tojib Island
Lake St. Francis 2

I have examined the further papers submitted in this case
with reference to my former report of the 1st day of
January last; and of the right of the Indians to Lease
the Island in question to the late David Thompson is
admitted, then in my opinion McMahonester has shown
it is sufficient to be considered as the holder of the Lease
originally granted to Mr Thompson. And as pointed out in
my former report the parties through whom McMahonester claims his share
of the land possession go to Mr. Smith.
Yours truly
