Sir

I enclose herewith a resolution passed in Council granting the following members of Roma Band permission to cut pulpwood off their locations

- | | |
|--------------------|----------|
| Hugh Naisiquahkung | 90 loads |
| James Ford | 20 loads |
| J B Shinnon | 5 loads |
| Robert Williams | 5 loads |
| Samuel Yellowhead | 20 loads |

In the case of H. Naisiquahkung & James Ford, these two had a permit issued which expired on 30th April last as wood having been cut. I would recommend that same be approved.

Yours truly
