Ottawa, September 12, 1919.

Memorandum, -

Mr. Scott.

You will please find enclosed application under the Soldier Settlement Act from Wilfred B. King, for a loan of \$725.00 for the purchase of land.

Wilfred King will be able to secure sufficient implements, etc., to carry on his farming operations ~~with, from~~ his brothers, for the present time at least. In the future it may be necessary to buy him a few implements. My valuation of the property that would be security for this loan is \$1500.00.

Wilfred King is a young Indian of ability. From the information I have been able to obtain he is honest and a good worker.

I would recommend that the loan be granted as outlined in the accompanying forms.

Yours truly,

*D. H. Abraham*
