. Isof tream a se beinge nor left tolog rentom note beneat of I was very glad to hear such good reports of Ted. Sorry that Max has been ill but delighted to hear that he is working with you which I know was what he had made up his mind he would like to do.

I hope your health is good and I cannot but think that your magnificent intellectual equipment shouldbe finding scope for its activities in the service of the State. I still find it difficult to forgive those who induced you to leave the Senate which afforded you a Forum of very considerable importance.
