

and was taken ill with a
slight touch of pneumonia
accompanied by very severe
nausea and had finally to
go to the hospital in her
own car. He is still in
hospital but seems to be
very well & the new treatment
for pneumonia and he hopes
will be able to leave at the
end of the week.

I believe that my father
was just as thrilled about your
photograph as we have when
it arrived! He hasn't seen it
yet, but when we told him
about it he spent nearly half
an hour indulging you! He
really believed that you are
the one man in Canada to
guide this country now, just as

present Prime Minister. The
house is beautiful. All in
all, I think we are a very
lucky couple! John and I
both send you our thanks for
such a lovely Christmas
remembrance.

My mother came up to
spend a few days with the
family after he arrived and
my father came up for the
Christmas holidays. We all
went up to Paris on Christmas
day and had a lovely
time there. I was so glad to
have you to go, because we
often miss you. My boy had
been very rather lonely with
only a few family and with
no one to talk to. I hope
you had a lovely time &
start with the Christmas holidays!
