STATEMENT OF CPL WHITE W.J.

I BL47197 Cpl White W.J. Transport Cpl of
2/7 CDM FDS SCANG CAOF have known the accused
(Pte Martin) since July 1948.

During this time he (the accused) has been driving
a 60 Cwt, as general transport and his vehicle handling
has been exemplary.

Further his maintenance has been excellent and his
vehicle has been always ready to run when required to do so.

Pte Martin is a very co-operative driver, always willing
to take an assignment at any time. He is trustworthy
reliable and I have never found him guilty of an untruth.
