

MACDONALD & CO., Brass Founders and Finishers, 264 Barrington

OTHER STOCKS.—With the exception of the Halifax Gas Company other stocks in the City of Halifax are never looked upon with favor, much beyond par. Some local insurance, such as the *Acadian*, is also an exception, as it has been particularly fortunate. But keeping in remembrance the Halifax fires of Granville and Hollis Street, cautious investors are generally shy of them.

We publish a copy of one of the official reports, published in the month of July after the interest on the debentures had been drawn, and the dividend had been declared, and is, therefore, a fair statement of what they may now be purchased for, but far below the average of sales during the past six months from the time of this writing, 1st August, 1876:—
