### About the Students' Piano

It is needless to say that great interest has been manifested by musicians in our recent announcement that we will sell our

## Mason & Risch STUDENTS' UPRIGHT PIANO

- AT -

..... \$ 300 .....

ON EASY PAYMENTS

The principal difference between this instrument and those of the same size sold by us at higher figures is purely one of case work and varnish. Many Pianos are veneered with woods of great cost, and then receive six to eight coats of most expensive varnish. This beautifies the instrument and renders it much more costly, but does not add to its tone or durability. The **Students' Piano** is finished in plain walnut, oil finished, but possesses all the well-known characteristics of tone, touch and durability, which have made our instruments famous.
