A FEW TESTIMNIALS

198 King street East, Toronto, Nov. 21, 1902, John O'Conner, Esg., Toronto:

DEAR SIR-I am deeply grateful to the friend that suggested to me, when I was a cripple from Rheumatism, Benedictine Salve. I have at intervals during the last ten years been afflicted with muscular rheumation. I have experimented with every available remedy and have consulted might say, every physician of repute, without perceivable pencefit. When I was advised to use your Benedictine Salve, I was a helpless cripple. In less than 48 hours' I was in a position to resume my work, that of a tinsmith. A work that requires a certain amount of bodily and tivity. I am thankful to my triend who advised me and I am more than gratified to be able to furnish you with this testimonial as to the encacy of Benedictine Salve. GEO. FOGG. Yours truly,

Tremont House, Yonge street, Nov. 1, 1901.

John O'Connor, Esq., Toronto;

DEAR SIR-It is with pleasure that I write this unsolicited testimenial, and in doing so I can say that your Benedictine Salve has done more for me in one week than anything I have done for the last five years. My ailment was muscular rheumatism. I applied the salve as directed, and I got speedy relief. I can assure you that at the present time I am free of pain. I can recommend any person afflicted with Rheumatism to give it a trial. I am, Yours truly, (Signed) S. JOHNSON,

288 Victoria Street, Toronto, Oct, 81, 1991, John O'Connor, Esq., Nealon House, City:

DEAR SIR-I cannot speak too highly of your Benedictine Salva. has done for me in three days what doctors and medicines have been try ing to do for years. When I first used it I had been confined to my bed with a spell of rheumatism and sciatica for nine weeks; a friend recommended your salve. I tried it and it completely knocked rheumatics right out of my system. I can cheerfully recommend it as the best medicine en the market for rheumatics. I believe it has no equal.

Yours sincerely, JOHN MCGROGGAN,

475 Gerrard Street East Toronto, Ont., Sept. 18, 1901. John O'Connor, Esq., Nealon House, Toronto Ont .:

DEAR SIR-I have great pleasure in recommending the Benedictine Salve as a sure cure for lumbago. When I was taken down with it I called in my doctor, and he told me it would be a long time before I would be around again. My husband bought a box of the Benedictine Salve, and applied it according to directions. In three hours I got relief, and in four days was able to do my work. I would be pleased to recommend I am, your truly, it to any one suffering from Lumbago.

12 Bright Street, Toronto, Jan. 15, 1902,

John O'Connor, Esq., Toronto: DEAR SIR-It is with pleasure I write this word of testimony to the marvellous merits of Benedictine Salve as a certain cure for Rheumatism. There is such a multitude of alleged Rheumatic cures advertised that one is inclined to be skeptical of the merits of any new preparation. I was induced to give Benedictine Salve a trial and must say that after suffering for eight years from Rheumatism it has, I believe, effected an absolute and permanent cure. It is perhaps needless to say that in the last eight years I have consulted a number of doctors and have tried a large number of other medicines advertised, without receiving any benefit, Yours respectfully, MRS. SIMPSON.

65 Carlton Street, Toronto, Feb. 1, 1902.

John O'Connor, Esq., 199 King Street East: I was a sufferer for four months from acute rheumatism in my left arm; my physician called regularly and prescribed for it, but gave me no relief. My brother, who appeared to have faith in your Benedictine Salve, gave enough of it to apply twice to my arm. I used it first on a Thursday night, and applied it again on Friday night. This was in the latter part of November. Since then (over two months) I have not had a trace of rheumatism. I feel that you are entitled to this testimonial as to the efficacy of Benedictine Salve in removing rheumatic pains.

It failed, but a friend of mine learned by chance that I was suffered ing from Bleeding Piles. He told me he could get me a cure and he was true to his word. He got me a box of Benedictine Salve and it gave me relief at once and cured me in a few days. I am now completely cured. It is worth its weight in gold. I cannot but feel proud after sulfering so long. It has given me athorough cure and I am sure it will never return. DEAR SIR-After trying several doctors and spending forty-five care n the General Hospital, without any benefit, I was induced to try your Benedictine Salve, and sincerely believe that this is the greatest remedy in the world for rheumatism. When I left the hospital I was just able to stand for a few seconds, but after using your Benedictine Salve for three days, I went out on the street again and now, after using it just ever a week. I am able to go to work again. If anyone should doubt these facts, send him to me and I will prove it to him.

Yours forever thankful, PETER AUSTEN.
