## IF YOU FEED CALDWELL'S HOG FEED

If you are fattening a "batch" of hogs, or just one in your backyard to be patriotic and to enable Canada to send more bacon to the boys on the battle line, you should use Caldwell's Mog Feed.

Use it in combination with water or skim-milk. No other grain is necessary. It is a balanced ration in itself. You will find our Mog Feed supplies all body building elements necessary in a balanced ration, and for rapid development of solid flesh.

Caldwell's Hog Feed is uniform, strictly high grade and guaranteed an to its food content. The analysis is printed on every sack and directions for feeding are also attached.

Sold in any quantity from 100 lbs. up. Dealers everywhere handle Caldwell's. If they cannot supply you write us direct. Dept. 1.

# Standard Hand Separator Oil

#### MAKE IT SKIM CLEAN

DOES your cream separator skim clean? You can help to maintain its reliability with correct lubrication. But be sure to use the right oil. Standard Hand Separator Oil is

specially made to insure smooth running and uniform.high-speed— conditions that largely govern thorough separation.

It is pure, highly fluid, lubricates all wearing parts, prevents seam rust and corrosion.

Sold in pint, quart, half-gallon, gallen and 4-gallon cans; also bar-rels and half-barrels. By reliable dealers everywhere.
