

PERFECT PROTECTION

From rain, snow, lightning and wind for your crops and stock is assured by covering your barns, stables and large buildings with the

BIG "GEORGE" SHINGLE

SIZE 24" x 24"

Rain, which rots wooden shingles, cannot penetrate the patent four locked "GEORGE" Shingle. Lightning cannot harm a "GEORGE" shingled roof. Fire cannot burn it, and the fiercest windstorm passes by the "GEORGE" roof and leaves it undamaged, as it is securely locked.

The "GEORGE" Shingle is simplicity itself to lay—just hammer, nails and snips required and it is very rapidly erected.

Farmers! Your perfect protection lies in the "GEORGE" Shingle for your barns—the "OSHAWA" Shingle for your houses and smaller buildings, and Pedlar's "Perfect" Corrugated Iron (Painted or Galvanized) for your siding.

No greater cost but better service and satisfaction

MADE IN CANADA

A Fairbanks-Morse Water System can be quickly and easily installed on any farm.

It will furnish you with an abundance of running water in the house, stable, creamery or wherever wanted. At the same time it affords you ample protection from fire.

Many styles—hand or power operated. Write for Booklet "Fairbanks-Morse Water Systems."
