GOSSIP.

The advertisement of Aberdeen-Angus bulls from the good herd of Mr. Jas. Sharp, Rockside, Ont., should interest many beef-growers who favor this grand Scotch beef breed of cattle. See the advertisement regarding breeding and winnings of the herd.

D. W. McKenzie, Nerepis Station, N. B., reports Holsteins booming in the Maritime Provinces, letters being received every week enquiring for stock. He has recently purchased for use in his herd the 3-year-old bull, Cornelia Tenson's Netherland 1183, C. H. H. B., son of imported Cornelia Tenson 22, one of the best and most typical Holstein cows that has ever figured in Canada, winner of first prize and sweepstakes at Toronto Industrial Exhibition in 1891 and 1892, and having a record of 81 lbs. milk daily, 14,184 lbs. in ten months, and 19 lbs. butter in a week. This bull has been siring some extra good stock in New Brunswick, and should do good work wherever he goes.

RESULTS OF ADVERTISING.

Mrs. J. F. McKay, Parkhill, Ont., writes:—"As I have sold all my turkeys and Brahmas, I now see that to advertise is a necessity if one wishes to dispose of stock of any kind for breeding purposes. I had only one advertisement this fall and have sold a flock of over 20 birds, and could have sold more if I had them heavy enough. That is an important feature; everyone wants good weight."

AYRSHIRES AT SOUTH BRANT STOCK FARM.

Since last references were made in our columns to Mr. R. S. Brooks' Ayrshires at South Brant Stock Farm, near Brantford, Ont., the herd has been materially strengthened. Since the commencement of Mr. Brooks' experience with the breed, his aim has been to produce animals of true breed type, strong constitution, and having a maximum capacity for work. The present head of the herd is Beauty's Style of Auchenbrain (Imp.)—1129—(2758). His dam, Old Beauty's Last of Auchenbrain (6894), having a record on grass alone of 72 pounds of milk in one day. This bull is a long, stylish, and animal, with a beautiful, velvety skin, and vigorous constitution. Among the cows are the following famous animals: Daisy Bell (2490), by Jock Meadows (2337), by Mack of rich milk; Bell of Rosmond (2337), by Mack (1476), a typical show cow; Lady Brant (2506), also by Mack (1476), a grand cow, for which he has been refused big prices; Lady of the Lake (2855), by Tam Glen 2nd (1310), a prize-winner at the World's Columbian; Lady of Ontario (2856), by Defender (1312), a second prize winner at the Columbian; White Bloss of South Brant (10096), by Dainty Lad of Elmshade (2245), a fashionably light colored prizewinner; and many others of similar breeding and type. Among Mr. Brooks' present offerings are four promising young bulls, ranging from 6 to 18 months old, that are bred right, and possessed of fine dairy form. Mr. Brooks is particularly proud of his half-dozen heifer calves, from 1 to 12 months old, from the present stock bull and such matrons as we have mentioned. See Mr. Brooks' offerings elsewhere in this issue.
