REVIEW OF LAST WEEK'S MARKETS
 At West Toronto, on Monday, May 26, receipts at the Union yards numbered 90 cars, comprising 2,042 cattle, 352 hogs, 84 sheep, 61 calves, and 18 horses. No sales made. At the City yard, there were 12 cars, comprising 215 cattle, 76 hogs, 25 sheep, and 66 calves. Trade was slow, with prices steady, at last week's quotations. Butcher steers and heifers sold at \$6 to \$6.90; cows, \$5 to \$5.75; bulls, \$5 to \$5.50; hogs, \$9.50, f. o. b. cars.

The total receipts of live stock at the City and Union Stock-yards last week were as follows:

	City.	Union.	Total.
Cars	27	365	395
Cattle	547	5,283	5,830
Hogs	511	5,995	6,506
Sheep	409	1,450	1,859
Calves	180	557	687
Horses	50	50	100

The total receipts of live stock at the two markets for the corresponding week of 1912 were as follows:

	City.	Union.	Total.
Cars	184	298	482
Cattle	2,165	4,332	6,497
Hogs	4,610	5,480	10,090
Sheep	784	640	1,424
Calves	1,061	180	1,191
Horses	1	87	88

The combined receipts of live stock at the two markets for the past week, show a decrease of 87 car loads, 667 cattle, 3,584 hogs, 504 calves, and 38 horses; but an increase of 435 sheep, compared with the same week of 1912.

While the receipts of live stock were liberal last week, it will be seen by the above table that they were not equal to those of last year for the same week, still the supply was about equal to the demand. Last year there was a fairly large number being imported; this year there are scarcely as many hundreds as there were thousands going to the British markets. Trade was very active all week, at practically the same prices in all classes of fat cattle as for the previous week.

Exporters.—William Howard bought for Swift & Company, of Chicago, 135 steers for export, weighing 1,250 to 1,325 lbs. each, at \$6.90 to \$7.15. This same class of steers was selling from 75c. to \$1 per cwt. higher one year ago.

Butchers.—Choice steers of export weights and quality, were bought for local killing at \$6.90 to \$7.15, and one or two loads at \$7.25; good to choice, \$6.60 to \$6.80; medium to good, \$6.15 to \$6.50; common, \$5.50 to \$6; choice cows, \$5.50 to \$6.25; good cows, \$5 to \$5.45; medium cows, \$4.25 to \$5.75; common cows, \$3 to \$4; choice bulls, \$5 to \$5.40; common, \$4.50 to \$4.75.

Stockers and Feeders.—Steers, 800 to 850 lbs., sold at \$6 to \$6.35; stockers, 600 to 700 lbs., \$5 to \$5.75; common stockers, \$4.50 to \$5.

Milkers and Springers.—Receipts of

milkers and springers during the week were moderate, with prices steady, at \$45 to \$75 each. But there were one or two extra large Holstein cows, with fine milking qualities, that sold at \$80 to \$90 each.

Veal Calves.—While the deliveries of veal calves, were large, prices remained steady to firm, as follows: Choice calves, \$9 per cwt.; good calves, \$8 to \$8.50; medium to good, \$7.50 to \$8; common calves, \$5.50 to \$6.50 per cwt.

Sheep and Lambs.—Receipts were larger, and prices easier. Ewes sold from \$6 to \$6.50; rams, \$5 to \$5.50; yearling lambs, \$7.50 to \$8.50 per cwt.; spring lambs were from \$1 to \$2 per head lower than in our last report. The bulk of the spring lambs sold at \$5 to \$7 each, but there were some small lambs sold down to \$4 each.

Hogs.—Selected hogs, fed and watered, sold at \$9.75 to \$9.85, and \$9.50 f. o. b. cars at country points, and \$10 to \$10.10 weighed off cars.

Horses.—Trade at the Union Horse Exchange, Union Stock-yards, was reported to have been fairly good. Several loads of horses were sold to go to Ottawa, Montreal, and other outside points, besides any private sales being made to the local trade. The bulk of the horses sold were heavy-drafters. Prices were unchanged. Drafters, \$175 to \$250; general-purpose horses, \$150 to \$225; express horses, \$160 to \$225; drivers, \$100 to \$150; serviceably sound, \$45 to \$90 each.
