A Book Full of Facts About

DR. McLAUGHLIN'S ELECTRIC BELT FOR WEAK MEN.

I KNOW that no one remains a weakling because he wants to; I am sure that you want to overcome every indication of lost health that has shown itself on you. I don't think the man lives who would not like to feel as big and strong as Sandow, and I know that if you have a reasonable foundation to build upon I can make you a bigger man than you ever hoped to be.

I want you to know that you can't believe it, and I want you to have my book in which I describe how I learned that strength was only electricity, and how I learned to restore it; also, I want to tell you the names of some men who will tell you that when they came to me they were physical wrecks, and are now among the finest specimens of physical vitality.

Cured of Hurt Back, Sexual Weakness and Nervousness

Dear Sir: I write with pleasure to you, having used your Belt for a few weeks, and I can now say that I am cured. I cannot recommend your Belt too highly, I am so well pleased with it, and if I ever want another I shall have one of your best. I know they are good, because the one I have has cured all my diseases. I am recommending your Belt to every one I know, and will do my best to get your Belts going in my neighborhood. You can do what you like with this letter. I remain, your obedient servant, George Baxendale, Spring Valley, Ont.

I want you to read this book and learn the truth about my arguments. If you are not as vigorous as you would like to be, if you have rheumatic pains, weak kidneys, loss of vitality, nervous spells, varicocele or any ailment of that kind that unnerves you, it would assure your future happiness if you would look into this method of mine. Don't delay it; your best days are slipping by. If you want this book I send it closely sealed, free.
