 have their foundations laid in economy. To procure and keep in force a policy of endowment assurance is a system of economy which produces excellent results.
 The Compound Investment Endowment Policy issued by the North American Life makes a splendid investment as well as providing for the family. Liberal cash surrender and loan values, paid up and extended insurance privileges are granted in the policy, making it an exceptionally good one.

A Physician's Testimony For Labatt's Stout.
 Dear Sir:—
 Speaking from personal experience I can state that your Stout is excellent in building up the system—I was very much run down and was advised to use Labatt's Porter—this I have done for some time and I largely attribute to its effects my steady improvement in strength and weight. I deem it but justice to you, and it certainly is a pleasure to me, to add my testimony to its sterling qualities, and I gladly recommend your Stout as an excellent tonic and food in cases where such is required.
