SECOND HAND ORGAN FOR SALE

Having built a new organ for St. Paul's Church Halifax, N.S., an account of which appeared in the "Canadian Churchman" of January 14 the organ which has been superseded is now for sale. Built by Bevington, of London, England, and can be made to do good service for many years to come.

It will need some going over to make the tone qualities as good as new, and such work may be added to suit minimum or maximum amount the purchaser may desire to expend upon it.

The price asked for the organ is the same as was allowed St. Paul's, with nett expenses added in this connection up to the present time.

The charge for such new work as may be required will be the actual amount expended for repairs with an added percentage of 15% which will not be calculated on the amount allowed St. Paul's Church for the organ.
