60 DAY'S FREE TRIAL

of a World-Famed Remedy

Use my Invention for 60 days. If then cured, pay me. If not, return it. I ask not a penny in advance or on deposit.

Health is happiness. It is the foundation-stone of the happy family. It is success in business; it is contentment and self satisfaction. You enter your home after your day's work, and even though tired, your buoyancy fills the house with joy and pleasure. Your friends seek you, and you are the centre of all that is true wealth—perfect happiness, cheer and contentment. All the money in the world cannot give you those if you have lost your health. The debilitate bring only misery into a family: are often shunned by friends, and are generally a failure in business or their vocation. Life is a burden to them. I think this state almost a crime when a reasonable opportunity is offered to overcome it. There is a way to overcome it. I have a cure for these unfortunate men and women, and since I found the remedy 40 years ago I have aided more than 100,000 to regain their health and strength.

My treatment for those who suffer from Rheumatism, Lumbago, Nervousness, Melancholia, Lame Back, Wrecked Stomach, Ataxia Partial Paralysis, general ill health, etc., is the simplest and most natural ever offered. It is Electricity. Everybody to-day knows that a normal quantity of it in the human body means perfect health and strength. A deficiency means weakness and disease. I can give you back this natural electricity and make you as well and strong as ever you were. So confident I am of what I can do, that to anyone suffering as above, I will give my World-famed, Dr. Sanden Electric Herculex, completely arranged for men or women, upon absolute

FREE TRIAL UNTIL CURED

NOT one penny do I ask you to pay in advance or on deposit. My low-power Herculex at \$5.00 is strong enough in many cases. If you wish to buy for cash, I give a very liberal discount. I cure people every day in this way.

As the originator and founder of the Electric Body Battery system of treatment, my success is the envy of many, and my Herculex, of course, is imitated (what good thing is not?), but my great knowledge gained from 40 years' experience is mine alone and cannot be imitated. I give advice free to my patients till the cure is complete. My Electric Herculex, guaranteed to give a current instantly felt, or I forfeit \$5,000, and to last for at least one year.

Call or send for my Herculex to-day, or if you want to look into the matter further, I have two of the best little books ever written on electricity and its medical uses, which I'd like to send you. Sent free, sealed, upon request.

Humorous

On the occasion of a recent benefit, Forbes Robertson, the well known English actor, was standing behind the scenes when a character actor who had been giving imitation of noted actors was about to respond to an encore.

"Who do you imitate next?" inquired Robertson. "Well," was the reply, "I was going to represent you in Hamlet's soliloquy, but if you look on I'm afraid I shall make a mess of it." "Suppose I imitate myself?" remarked the tragedian, and hastily putting on the other's wig and buttoning up his coat he went on and delivered the well known lines. Next morning the newspapers stated that the imitations

ruined the performance, "the personations of Forbes Robertson being simply vile enough to make that actor shudder, had he seen it."

The little boy stared up at the poppy field as if mesmerised. He scarcely shifted his position or his eyes during all the time the other children were seeing the rest of the pictures. He was still standing there before the

flower expanse when it came time to go. I went up to him.

"Do you like the poppies, dear?" I asked.

He turned to me, his eyes as bright as the flowers themselves.

"O I love them," he cried. "If I could live in a place like that I'd be a good boy."

Just then his teacher came up.

"Who is he?" I asked.

"The worst boy in the class" was the reply

Jones had come home later than usual and had ready a good explanation, but his wife gave him no chance, and immediately began to tell him what she thought of him. He endured it patiently all evening, quietly read his paper and went to bed. His wife was still talking.

When he was almost asleep he could still hear her scolding him unmercifully. He dropped off to sleep and awoke after a couple of hours, only to hear his wife remark:

"I hope all the women don't have to put up with such conduct as this."

"Annie," said Jones, "are you talking again or yet?"
