

TRUE ECONOMY!

Make Your Own Coat this Fall

We have thousands of yards of warm coatings to choose from in scores of different weaves.

You can save money on your winter coat, and at the same time possess a garment much superior in quality to the average ready-to-wear, and possessing individuality, if you buy a length of good English or Scotch Woollen Cloaking, and fashion it yourself.

We were never in a better position to supply the cloths—and at practically “before the war” prices
