# HAIL INSURANCE

If you are, it is safe to say that you have decided, or will decide, to insure with us. Close inquiry into our business methods, our rates of premium, and our treatment of patrons who have been claimants for indemnity for loss could lead you to no other conclusion.

Eleven years of successful operation and increased patronage from year to year proves the merits of the plan on which we conduct Hail Insurance, and we invite the most searching inquiry into our record.

Our home offices are here in the provinces where we solicit patronage, within easy reach, should we fail to make good on anything we undertake.

Full information and the names of satisfied patrons in any district where we have done business will be furnished on application to
