The Owen Sound Sun says there are nearly 150 men from Grey county in the Bruce Battalion. There are quite a number from the northern part of Huron county too. The recruiting officers of the Bruce Battalion were evidently a little bit smarter than some others.

**PERSONALS.**

Well-known Women.

Chatham, Ont.—"I was sick for about four years. Got very weak, could not eat to amount to anything. I got very thin and had no strength at all. I was very much discouraged at times—thought I was never going to get better. I could not walk a block without feeling all tired-out. I took different medicines but did not get the help I needed. A friend of mine advised me to try Dr. Pierce's Favorite Prescription. I began to take it with the 'Pleasant Pellets' and by the time I had taken two bottles I was well on the road to recovery, and in six months I was entirely well. My appetite came back and I gained in flesh. Now I am as strong and healthy as any one could wish to be. I owe it all to Dr. Pierce's medicine and I am glad of the opportunity to give testimony in their favor; they have done wonders for me."—Miss THELMA PARKER, 141 E. King St.

Chatham, Ont.—"I have taken Dr. Pierce's medicine with good results. I was weak and run down, lost my appetite and got very thin. I took 'Favorite Prescription' and 'Pleasant Pellets' and these two medicines built me up in a very short space of time so that I felt as well as ever. I found them to be all that is recommended of them; they are good."—Mrs. Wm. Weese, Cor. Taylor & Grand Ave., E., Chatham, Ont.

Every woman who has headache, headache, low spirits, sleepless nights, owes it to herself to speedily overcome the trouble before a breakdown causes prostration.

Dr. Pierce's Favorite Prescription is a non-alcoholic remedy that any ailing woman can safely take because it is prepared from roots and herbs with pure glycerine, containing tonic properties.

**Items Of Interest.**

Automobiles are certainly dropping in price. A five-passenger touring car known as the Emerson is now being placed on the market at \$395.

Taxing the bachelor is suggested as a source of revenue to aid in supporting the widows and orphans of men who died for their country's honor.

The Ontario License Board announce that hotels will in no way have a monopoly on the sale of cigars, cigarettes, or soft drinks. Stores and restaurants have same privileges as before.

Many heroic deeds were recorded in the forest fires of Northern Ontario. Hundreds of lives were saved by those who risked their own in helping others to places of security. And many lost their lives who were already safe, in attempts to rescue others.

In the course of a year, the woman who is too busy to read ads, does a lot of improvident buying. For essentially the same things, she will spend so much more money than will the ad-reading woman that the annual sum total would shock her. Get the habit. Read the ads.

All over the continent the movement to reduce the size of newspapers because of advancing paper prices and the scarcity of newsprint makes headway. Toronto morning papers at three dollars a year will soon be in a class by themselves. Many not so good now cost five and six dollars a year across the border.—Toronto Globe.

The Mooney Biscuit & Candy Co., Limited, with large plants at Stratford, Montreal, Winnipeg and Vancouver, has made an assignment in favor of its creditors, the necessary documents in connection therewith having been filed at the Court House, Stratford on Tuesday. Mr. Malcolm Hugh Robinson of Toronto is named assignee.

The city cousin took his family and stayed ten days on the farm. He fattened up on home cooking, real butter and cream that actually came from a cow. Now the country relative, with the Toronto fair drawing near, plans to camp on the city man's neck over a week end. He will sleep in the bath tub and pay his own car fare. Of a certainty the odds are all against the man from the sod.

Don't hang electric light cords on nails. The insulation soon wears off and exposes the live wire. A short circuit therefrom might start a fire.

Mr. Malcolm Livingstone, engineer at Eby's grist mill, Elmwood, had a narrow escape from injury or death when part of the smoke stack broke off the top. Mac was going for coal with the wheel barrow when the stack came down on the Irishman's cart, demolishing it into atoms.

A young man in Orangeville went to see his girl one night last week. After the old folks had retired the young man edged his chair up close to the girl and gently put his arm around her. After chatting for some time he unfortunately fell asleep. This so annoyed the girl that she gently released herself and put the churn on the chair just vacated. The sleepy youth was hugging the churn when the old man came down stairs in the morning. He has not gone back since.
