WILL ADVERTISE BRANTFORD CITY

Greater Brantford Board Held a Meeting Yesterday Afternoon.

At a well attended meeting of the Greater Brantford Board held in Publicity Commissioner Emerson's office yesterday afternoon, it was decided to advertise the Telephone City extensively. Two large signs will be erected along the main line of the G. T. R., one to be placed near the old brick tavern on the Paris road, and the other at a point on the Harrisburg line just outside of the city limits. A good supply of well edited and attractive booklets putting forth Brantford's superior and unequalled claims as a manufacturing centre will be gotten out and given to manufacturers, real estate agents, merchants to the best advantage.

These booklets will be mailed to manufacturers all over the world with the view of inducing them to locate in Brantford and copies will also be sent to capitalists and those likely to invest money in Brantford. It must be clearly understood that these booklets are for advertising purposes and are not intended to be given away for souvenirs. The board intend to enter in on one great advertising campaign.

STRAWBERRY FESTIVAL RIVERDALE CHURCH

A successful strawberry festival was held last night on the lawn of Mr. R. Berry, 183 West Mill street, under the auspices of the Ladies Circle of the Riverdale Baptist church, and under the personal direction of Mrs. (Rev.) T. E. Richards.

The lawn was nicely decorated with Chinese lanterns, supplemented by the decorations, red and yellow, of the only booth, and the floral decorations on the well laden tables.

There was a good demand for the ice cream, bananas and home-made candy, which was for sale at the booth. Mrs. F. D. Schram was convener of the booth committee, which was composed of Mrs. A. Duncan, Mrs. C. Cook and Miss Jennie Clark.

In the neighborhood of 150 attended, although 250 tickets were sold, and it was necessary to replenish the tables several times. A splendid program was provided and included several numbers from the First Baptist church orchestra, a solo rendered by Mrs. S. G. Read, and two numbers by the Riverdale male quartette.

The proceeds of the affair amounted to about \$90, and are in aid of the building fund for the new church which will be built.

HIGH PRAISE FOR BRANTFORD PAPERS

Saul Lyons Hands the Courier a Boquet.

A high compliment was paid to the Brantford press in general, and the Courier in particular, by Mr. Saul Lyons, secretary-treasurer of the Lyons Tailoring Co. of Hamilton, a few days ago, when he handed the Courier a new advertising contract dated July 1st. Under the new contract the firm pays an increase of exactly 100 per cent.

"When we were notified," he said, "that we would be increased at the expiration of our contract we were not surprised, and the President said to expect 50 or 60 per cent. jump. The hundred per cent., however, was more than he expected, but I convinced him that your paper, and its circulation were so much improved that the rate was justified. I consider the Brantford newspapers a credit to the city, and I don't know any other cities of 25,000 to 30,000 that have such enterprising journals."

"Don't overlook the fact," he said, "that we have a big sale on this month."

Particulars of this sale are given in the display ad on page 9 of this issue.

Sammy Will Appeal.

MONTREAL, July 11.—President Lichtenhein of the Montreal Baseball Club says that he will refer his dispute with President McCafferty over the ownership of Pitcher Carlo to the National Commission. He further said that if Manager Bransfield wants to use Carlo in a game here with the Leafs he will authorize him to do so.

Received Nine Months.

WINNIPEG, July 11.—Mary McCourt, found guilty of concealment of childbirth, was sentenced to nine months in the provincial jail. A plea of not guilty of murdering her infant was changed with the consent of the crown after the jury had failed to reach an agreement, one juror holding out for a verdict of murder and the others for a verdict of guilty of concealment of childbirth.

Attempt at Suicide.

WINNIPEG, Man., July 11.—Miss Annie Minary, formerly of Orangeville, Ontario, attempted to commit suicide by drinking half a tumbler of ten per cent. ammonia. She is in a precarious condition and if she lives will be an invalid.

Mr. Frank O'Reilly was in Hamilton yesterday evening.

New Lodge Is Installed

The institution and consecration of Reba Lodge, A. F. & A. M., took place in the Masonic Temple last night. Rt. Wor. Bro. W. H. Wardrope, D. D. G. M., acted as master of ceremonies. The institution ceremony was performed in a very impressive manner. Representatives from Brant, Doric and Ozias Lodges of this city were present, and the affair was one that will long be remembered in Masonic circles in the city.

The officers chosen for the new lodge were as follows: W. M. Bro. W. R. McCormack; S. W. Bro. I. J. Kirby; W. Bro. G. Wedlake; treasurer, Bro. F. S. Blain; secretary, Bro. Dr. D. E. Russell; S. D. Bro. C. G. Dunlop; J. D. Bro. A. E. Faulkner; E. C. Bro. W. H. Inglis; I. G. Bro. G. Blacker; O. G. Bro. T. McGarrell.

After the installation ceremony the members of the craft adjourned to the banqueting room, where a dainty repast was partaken of. After the inner man had been satisfied, speeches by the installing officer and others were in order.

The new lodge starts out with a very bright future, having at its head an energetic and competent staff of officers.

More lady churchwardens have been appointed this year in England than ever before. The number include Countess Cadwor for the parish church of Shottemill, Surrey; the Dowager Marchioness of Exeter for Deeping St. James', Lincolnshire. (This is the fifteenth year that her Ladyship has filled the office.) Viscountess Gage for Erie Parish Church, Sussex, where her late husband was formerly warden.

Lord Edward Fitzgerald, whose marriage recently with Miss May Eth-

eridge, a popular London actress, caused a great sensation in English society, has arrived in Toronto on the way to the West. He is making his honeymoon tour a trip across Canada. He is at present traveling semi-incognito, and registered at the King Edward as plain "Mr. Edward Fitzgerald." Mrs. Fitzgerald is reputed to be one of the most beautiful women in England. Lord Edward is the brother of the Duke of Leinster and of Lord Desmond, and it is said may succeed to his brother's dukedom. It is rumored Lord Fitzgerald may take up fox-ranching in the West.
