RE. MEDICAL HEALTH AFFAIRS To the Editor of The Courier: Sir,—It has been my policy in the satisfied to accept this state-ment as made, if it applies to past past to keep out of newspaper con- conditions here. He states that the M. O. H. of troversy, but on this occasion I cannot with any respect to myself and co-workers allow the article, publish-ed in your issue of the 10th inst. signed by "A Taxpayer," to pass up-noticed as he has either attempt-graph in which he admits he knows ter intended to misconstrue the would like to see the half dozen facts or is entirely ignorant of them; medical, men in the city who are

in my own opinion it is the former. I will not attempt to defend the city, to accept the position at \$1,200 or council in any action or inaction that \$2,000 a year as defined in the count \$2,000 a year as defined in the coun-cli's resolution. I the states the wrong dope has been handed out to the city council by medical men of excessive zeal, or something else mysterious and baf-fing must be accountable for it to permit of such "boosting" of salary for what is more or less of a "kid glove" position: the idea of having the city's health offices do the sci-found unworkable. they have been accused of, nor will I attempt to defend the Board of Health from any honest criticism offered, but I do insist upon "Taxpayer" coming across on the square; and I am convinced that "Taxpayer"
